2. SELECTING YOUR INVESTMENT OPTIONS

In **whole percentages** please indicate how you wish to have your contributions allocated to the investment options available for investment under your plan. Please ensure that your allocations total 100%, for example, 50% for your first, 30% for your second, and 20% for your third fund choice. If your percentages do not add up to 100% or you select an unavailable investment option, your contribution will be invested in an investment option according to your plan rules.

If you would like to select more than four investment options, please write the fund code, fund name, and allocation percentage on a separate sheet of paper and attach it to your account application. The fund code can be found in your investment options brochure.

3. DESIGNATING YOUR BENEFICIARY(IES)

You are not limited to two primary and two contingent beneficiaries. The beneficiaries designated on this form will apply to all the plans named in Section 1. To assign additional beneficiaries, or to designate a more complex beneficiary designation, please attach, sign, and date a separate piece of paper. You may revoke the beneficiary designation and designate a different beneficiary by submitting a new Beneficiary Designation Form to Fidelity or your Human Resources department.

When designating primary and contingent beneficiaries, please use whole percentages and be sure that the percentages for each group of beneficiaries total 100%. Your primary beneficiary cannot be your contingent beneficiary. If you designate a trust as a beneficiary, please include the date the trust was created, and the trustee's name.

If more than one person is named and no percentages are indicated, payment will be made in equal shares to your primary beneficiaries who survive you. If a percentage is indicated and a primary beneficiary does not survive you, the percentage of that beneficiary's designated share shall be divided among the surviving primary beneficiaries in proportion to the percentage selected for them.
