The future of the workplace is hybrid.

5

	A great hybrid workplace		
	offers a great culture for employees, whether they		
	log in from <i>home</i> , from the		
	office, or a mix.		
	office, or a rim.		
		TK.	
7			
	Questions		
	What is your future of work vision?		
	What work can effectively be done remotely?		
	How will you foster virtual leadership?		
	How will you translate your culture to a virtual world?		
	- now will you translate your culture to a virtual world:		
		YZ.	
8			
	What is your future of work vision?		
	What is your ratare or work vision:		
		1007 5007	1

3 A / I						~
What is v	vour t	uture	of wor	^K ˈ	VISI	on:

- What needs to change and why?
- What are the top challenges?
- What is the re-imagined vision for your hybrid team?

What is your future of work vision?

- Additional questions:
 - How will people collaborate as one team if they're not all in the office at the same time?
 - How will culture be maintained with a hybrid workforce?
 - How will being a hybrid workplace help or hinder the operating model?

11

Establish guidelines up front for how to handle team collaboration and meetings... and share those guidelines with your team members.

How will you foster virtual leadership?		
What work can effectively be done remotely? - How critical is face-to-face interaction for the desired experience? - Does the work itself require direct contact, or can it be accomplished virtually? - Do team members work independently, or do they need frequent collaboration? - Does the team require a high level of management oversight and guidance? - How will you foster virtual leadership?

How will you translate your culture to the virtual world?

- How will you ensure new hires feel connected to the university and its mission as well as their fellow teammates?
- \bullet How will you develop your employees to thrive in a virtual or hybrid way of operating?
- How will your customers feel valued and supported?
- How will the university community continue to thrive as a result of the work your team does?
