The BlueCard® Program

You have the freedom of choice

As a Blue Cross Blue Shield Plan member, you have more freedom to choose the doctors and hospitals that best suit you and your family. Your membership gives you a world of choices. Within the United States, you're covered whether you need care in urban or rural areas. Outside of the United States, you have access to doctors and hospitals in more than 200 countries and territories around the world through the BlueCard Worldwide Program.

With the BlueCard Program, you can locate doctors and hospitals quickly and easily. With your Blue Cross Blue Shield Plan ID card handy, do the following:

- Visit the BlueCard Doctor and Hospital Finder at www.BCBS.com to locate doctors and hospitals, along with maps and directions to find them.
- OR –
- Call BlueCard Access® at 1.800.810.BLUE (2583) for the names and addresses of doctors and hospitals in the area where you or a covered dependent need care.

If you're a PPO member, always use a BlueCard PPO doctor or hospital to make sure you receive the highest level of benefits.

Designed to save you money

In most cases, when you travel or live outside your Blue Cross Blue Shield Plan's service area, you can take advantage of savings the local Blue Plan has negotiated with doctors and hospitals in the area. For covered services, you should not have to pay any amount above these negotiated rates.
