

**PROCEDURES FOR USE, PREPARATION AND HANDLING OF  
UNIVERSITY OF KENTUCKY REQUISITION**

This document requires you to obtain document numbers before processing the form. Document numbers will be given out in minimum blocks of 50 numbers or multiple blocks of 50 at a time. Blocks of numbers may be obtained by contacting Stores at (859) 257-6116.

Please insure you do not exceed the block of numbers you are assigned in order to avoid duplications.

You will need to keep a separate log for document numbers as they are assigned and used. This can be separate Word documents or a notebook. A Word document listing the document number, vendor or department sent to and the date issued is provided for your use (brrlog.doc).
