

UNIVERSITY OF KENTUCKY AUTHORIZATION AGREEMENT FOR DIRECT DEPOSIT

DIRECT DEPOSIT IS MANDATORY FOR ALL UK EMPLOYEES

An employee can now have an unlimited number of bank accounts on record to have your pay direct deposited. When creating a secondary bank account, you must enter either an amount or a percent to go to the secondary bank. The remainder will go to your main bank account.

The direct deposit service is available to you no matter where you bank in Kentucky, or, in fact, in the entire country, as long as your bank is a member of the National Automated Clearing House Association (NACHA). We will deposit your pay, on payday, to any of the 12,000 commercial banks, savings and loan institutions, and credit unions which are members of the NACHA organization.

1. Direct Deposit can be set up via Employee Self Service in your MyUk Account or by completing this form.
2. When completing this form please attach a voided check. If you do not have checks you may attach a letter from your bank that contains your routing and bank account number. Deposit tickets can also be used as long as the routing number does not begin with a 5 or 6.
3. Forward the authorization agreement and voided check or bank memo to:
University of Kentucky Payroll Services
Room 340 Service Building, 0005.
Form cannot be faxed or emailed as Payroll Services requires a live signature on the form.

4. If you terminate employment with the University send a form to stop your direct deposit. Otherwise, if you return to work at the University, your direct deposit will still be active.
