Register for Instructor-Led Training

1. There are several ways to search for a scheduled offering (course):

   In the Find Learning tile:
   - Click in the “Find Learning” text box and type the name of the course. If there is a match, it will display in a dropdown as you type. Select the course and click “Go.”
   - If you are unsure of the course name, click on “Browse all courses” to see a list of all available courses within the Course Catalog.

Note: You can select additional search parameters under “Refine By” that will assist you in finding a specific course.
2. The scheduled offerings for that course will populate. If multiple dates are offered for this course, click “See Offerings”. The details within the Scheduled Offering will appear:
   • The date and time of the course
   • The location of where the course will be held
   • The course description

Note: If there are no scheduled offerings available, or the scheduled offering dates don’t work for you, you can click “Assign to Me”. This places the course in your My Learning Assignments tile for future reference.
