I understand that I have made the above elections for the plan year, and I authorize the University of Kentucky to reduce my pay accordingly. Thus, I authorize payment of premiums on a pre-tax basis. I also confirm that the dependent information I have provided is correct to the best of my knowledge. I understand that the choices I have made on this form cannot be changed until the next enrollment period unless I have a change in family status as defined by law. If I do not complete and return a new Health, Dental and Vision Plan form during the enrollment periods, I will be treated as having elected to continue the elements of health, dental and vision then in effect if the plan is still available (whether insured or self-insured) for the new plan year. In addition, these elections will apply to any changes to the amount of the required employee contribution for the health, dental and vision plans I have elected. Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information, or conceals for the purpose of misleading, information concerning any fact material hereto, commits a fraudulent insurance act, which is a crime.
