Remote/Hybrid Request and Location Update Form
Instructions (for supervisors/designated authorizers)

The following instructions will assist in reviewing a remote/hybrid work location request.

Access myUK
To begin review, navigate to https://myuk.uky.edu.

Review Submitted Requests
Select Manager Self-Service > Work Overview Page > Tasks
(Note: it is encouraged to click “refresh” highlighted below for the most current list of items to populate.)

➢ After viewing most current list of tasks, select the task highlighted (as noted above) to access for review and decision-making.
Remote/Hybrid Request and Location Update Form

Instructions (for supervisors/designated authorizers)

➢ Upon clicking the work item from list, a new window will appear (as shown below). (Note: if a new window does not appear, check your browser settings and/or pop-up blocker.)

➢ Once the window opens with the request information, reviewers will view the data from the requestor. (Note: The information below is an example with blocked/blurred data as appropriate for these instructions – your data for review will be visible.)

- **Employee Information** will include requestor’s information.
- **First address** information is provided including the type of request for that address (e.g., remote) and the percentage of time located at that address.
- If included, **second address** information is provided as well as the type of request and percentage of time at the additional address.
- **Schedule** will include days requested at on-site or at remote location. (Note: currently for fully remote requests, the schedule will populate as blank.)
- Additional information is provided at the bottom of the request.

Remote/Hybrid Request and Location Update Form

Instructions (for supervisors/designated authorizers)

➢ Once reviewers have made a decision, click “Approve” or “Reject.” (Note: “Cancel and keep work item in inbox” keeps the work item in your list and closes the request review – it cancels the review session, it does not cancel the workflow or requested item.)

➢ Once reviewers click either “Approve” or “Reject,” a pop-up box for comments will appear (as shown below).
  o **When approving**, comments are optional, and reviewers may click box in the lower right to move forward. If comments are entered, they are not emailed to the requesting employee.
  o **When rejecting**, comments are required, and they are emailed to the requesting employee.

➢ When ready, click the check box to proceed forward or red “x” to cancel the decision.

➢ Upon completion, additional requests can be reviewed the same way as outlined below, or the reviewer may log out of myUK.
