SCHEDULE OF BENEFITS

The Maximum Allowed Amount is the amount the Claims Administrator will reimburse for services and supplies which meet its definition of Covered Services, as long as such services and supplies are not excluded under the Member’s Plan; are Medically Necessary; and are provided in accordance with the Member’s Plan. See the Definitions and Claims Payment sections for more information. Under certain circumstances, if the Claims Administrator pays the healthcare provider amounts that are Your responsibility, such as Copayments or Coinsurance, the Claims Administrator may collect such amounts directly from You. You agree that the Claims Administrator has the right to collect such amounts from You.

Your Plan is a Health Maintenance Organization (HMO) Plan. To obtain benefits for Covered Services, You are required to use Network Providers, unless the Claims Administrator has approved an Authorized Service to an Out-of-Network Provider or in Emergency situations. Services You obtain from an Out-of-Network Provider are not covered, except for Emergency Care or Authorized Services.

Benefits are based on the Maximum Allowed Amount, which is the most the Plan will allow for a Covered Service. when You use an approved Out-of-Network Provider You may have to pay the difference between the Out-of-Network Provider’s billed charge and the Maximum Allowed Amount in addition to any Coinsurance, Copayments, Deductibles, and non-covered charges. This amount can be substantial. Please read the Claims Payment section for additional details.

All payments are based on the Maximum Allowed Amount and any negotiated arrangements. All Covered Services must be provided by a Network Provider except for Emergency Care or Urgent Care.

If You use an Out-of-Network Provider for Emergency Care or Urgent Care services, You may have to pay Coinsurance plus the difference between the Out-of-Network Provider’s billed charge and the Maximum Allowed Amount. Depending on the service, this difference can be substantial.

**Out-of-Pocket Maximum Per Plan Year**
Includes medical Copayments, Deductible, and Coinsurance.

Does NOT include prescription Copayments, Prescription Coinsurance, precertification penalties, charges in excess of the Maximum Allowed Amount, Non-Covered Services, services deemed not medically necessary and pharmacy claims.

ELIGIBILITY

EMPLOYEE ELIGIBILITY
In order to be eligible to enroll for coverage under the Plan, You must be:

1. A regular full-time Employee;
2. A regular half-time Employee;
3. A regular part-time Employee, with an assignment of .20 Full Time Equivalent (FTE) or more;
4. A temporary part, half- or full-time Employee with an assignment of at least .20 FTE, a minimum six month assignment and with sufficient earnings to make the necessary premium payments;
5. Other eligible participants as defined by the University of Kentucky Medical Benefits Plan Document; or
6. An eligible Retiree, defined as a retiree who is:
   a. Retired in accordance with University of Kentucky retirement regulations; early retirees may retain coverage on the same basis as an Employee until he or she becomes eligible for Medicare.

On-Call Employees are NOT eligible for coverage under the Plan unless in the “Premium” on-call program.

EMPLOYEE EFFECTIVE DATE OF COVERAGE
If You are eligible for coverage, You may elect to be covered through the enrollment process. The date Your coverage begins depends on the date of Your qualifying event. Subject to making any required contribution, Your coverage will start as described in the paragraphs which follow:

1. If You are eligible for coverage on the Effective Date of the Plan, Your coverage will start on the Effective Date of the Plan if You enrolled for coverage when You were first eligible for it;
2. If You become eligible after the Effective Date of the Plan and You enroll within 30 days after the date You first become eligible, Your coverage will start the first of the month following the date You were hired or on the date of Your qualifying event.
3. If You do not enroll within 30 days after the date You first become eligible to do so, then You will not be permitted to enroll in the plan until the next open enrollment period, unless You have a qualifying family status change.

DEPENDENT ELIGIBILITY
You are eligible for Dependent coverage only if You are a covered participant. If You have one or more Dependents as of the date You become a covered participant, You are eligible for Dependent coverage on that date. If You do not have any Dependents on the date You become a covered participant, You do not qualify for Dependent coverage. You will become eligible for it on the date You acquire a Dependent.

If Your Dependent is eligible for coverage, he or she may not be enrolled for coverage as both a covered participant and a Dependent. In addition, no person can be enrolled as a Dependent of more than one covered participant. An adopted child is eligible for Dependent coverage upon the date of placement in Your home or in accordance with the adoption/guardianship agreement.

DEPENDENT EFFECTIVE DATE OF COVERAGE
If eligible, You may elect to cover Your Dependents through the enrollment process. Subject to making any required contribution, Dependent coverage will start as described in the paragraphs which follow:

1. If You are eligible for coverage on the Effective Date of the plan, Dependent coverage will start on the Effective Date of the plan, but only if You enrolled for Dependent coverage when You were first eligible for it.
2. If You become eligible after the Effective Date of the plan and You enroll within 30 days after the date You first become eligible, Dependent coverage will start on the date You become eligible for Dependent coverage.
3. If You do not enroll within 30 days after the date You first become eligible to do so, then You will not be permitted to enroll in the plan until the next open enrollment period, unless You have a qualifying family status change.
A Dependent child who becomes eligible for other group coverage through any employment is no longer eligible for coverage under this Plan.

**MEDICAL CHILD SUPPORT ORDERS**
An individual who is a child of a covered participant shall be enrolled for coverage under this Plan in accordance with the direction of a Qualified Medical Child Support Order (QMCSO) or a National Medical Support Notice (NMSN).

A QMCSO is a state court order or judgment, including approval of a settlement agreement that: (a) provides for support of a covered participant’s child; (b) provides for health care coverage for that child; (c) is made under state domestic relations law (including a community property law); (d) relates to benefits under this Plan; and (e) is “qualified” in that it meets the technical requirements of applicable law. QMCSO also means a state court order or judgment that enforces a state Medicaid law regarding medical child support required by Social Security Act §1908 (as added by Omnibus Budget Reconciliation Act of 1993).

An NMSN is a notice issued by an appropriate agency of a state or local government that is similar to a QMCSO that requires coverage under this Plan for the Dependent child of a non-custodial parent who is (or will become) a covered person by a domestic relations order that provides for health care coverage. Procedures for determining the qualified status of medical child support orders are available at no cost upon request from the Plan Administrator.

**SPECIAL PROVISIONS FOR NOT BEING IN ACTIVE STATUS**
If Your Employer continues to pay required contributions and does not terminate the Plan, Your coverage will remain in force for:

1. No longer than the end of the month of a layoff;
2. A period as determined by Your Employer during an approved medical leave of absence;
3. A period as determined by Your Employer during a leave of absence due to total impairment;
4. A period as determined by Your Employer during a leave of absence due to sabbatical or educational leave of absence;
5. A period as determined by Your Employer during a leave of absence due to approved special leave;
6. No longer than the end of the month during an approved non-medical leave of absence;
7. No longer than the end of the month during an approved military leave of absence;
8. No longer than the end of the month during part-time status.

**REINSTATEMENT OF COVERAGE FOLLOWING INACTIVE STATUS**
If Your coverage under this Plan was terminated after a period of layoff, total impairment, approved medical leave of absence, approved non-medical leave of absence, approved military leave of absence (other than USERRA), and You are now returning to work, Your coverage is effective the first of the month following the day You return to work.

If Your coverage under this Plan was terminated during part-time status and You are now returning to work, Your coverage is effective immediately on the day You return to work.

The eligibility period requirement with respect to the reinstatement of Your coverage will be waived.

If Your coverage under the Plan was terminated due to a period of service in the uniformed services covered under the Uniformed Services Employment and Reemployment Rights Act of 1994, Your coverage is effective immediately on the day You return to work. Eligibility waiting periods will be imposed only to the extent they were applicable prior to the period of service in the uniformed services.
FAMILY AND MEDICAL LEAVE ACT (FMLA)
If You are granted a leave of absence (Leave) by the Employer as required by the Federal Family and Medical Leave Act, You may continue to be covered under this Plan for the duration of the Leave under the same conditions as other participants who are in active status and covered by this Plan. If You choose to terminate coverage during the Leave, or if coverage terminates as a result of nonpayment of any required contribution, coverage may be reinstated on the date You return to active status immediately following the end of the Leave. Charges incurred after the date of reinstatement will be paid as if You had been continuously covered.

RETIREE COVERAGE
If You are a retiree who meets the University of Kentucky’s retiree qualifications You may continue coverage under the Plan with retiree benefits for You and any of Your eligible Dependents.

SURVIVORSHIP COVERAGE
If an Employee or retiree dies while covered under this Plan, the surviving Spouse and any eligible Dependent children may continue coverage when they meet the University of Kentucky’s survivorship qualifications.

If You previously declined coverage under this Plan for Yourself or any eligible Dependents, due to the existence of other health coverage (including COBRA), and that coverage is now lost, this Plan permits You, Your Dependent Spouse, and any eligible Dependents to be enrolled for medical benefits under this Plan due to any of the following qualifying events:

1. Loss of eligibility for the coverage due to any of the following:
   a. Legal separation;
   b. Divorce;
   c. Cessation of Dependent status (such as attaining the limiting age);
   d. Death;
   e. Termination of employment;
   f. Reduction in the number of hours of employment;
   g. Meeting or exceeding a lifetime limit on all benefits;
   h. Plan no longer offering benefits to a class of similarly situated individuals, which includes the Employee;
   i. Any loss of eligibility after a period that is measured by reference to any of the foregoing. However, loss of eligibility does not include a loss due to failure of the individual or the participant to pay premiums on a timely basis or termination of coverage for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the plan).
2. Employer contributions towards the other coverage have been terminated. Employer contributions include contributions by any current or former Employer (of the individual or another person) that was contributing to coverage for the individual.
3. COBRA coverage under the other plan has since been exhausted.

The previously listed qualifying events apply only if You stated in writing at the previous enrollment the other health coverage was the reason for declining enrollment, but only if Your Employer requires a written waiver of coverage which includes a warning of the penalties imposed on late enrollees.

If You are a covered participant or an otherwise eligible Employee, who either did not enroll or did not enroll Dependents when eligible, You now have the opportunity to enroll Yourself and/or any previously eligible Dependents or any newly acquired Dependents when due to any of the following changes:

1. Marriage;
2. Birth;
3. Adoption or placement for adoption;
4. Loss of eligibility due to termination of Medicaid or State Children’s Health Insurance Program (SCHIP) coverage; or
5. Eligibility for premium assistance subsidy under Medicaid or SCHIP.
You may elect coverage under this Plan provided enrollment is within 30 days from the qualifying event or 60 days from such event as identified in #4 and #5 above. You MUST provide proof that the qualifying event has occurred due to one of the reasons listed before coverage under this Plan will be effective. Coverage under this Plan will be effective the date immediately following the date of the qualifying event, unless otherwise specified in this section.

- In the case of a Dependent’s birth, enrollment is effective on the date of such birth.
- In the case of a Dependent’s adoption or placement for adoption, enrollment is effective on the date of such adoption or placement for adoption.
- If You apply more than 30 days after a qualifying event or 60 days from such event as identified in #4 and #5 above, You will not be eligible for coverage under this Plan until the next annual Open Enrollment Period.

Please see Your Employer for more details

Coverage terminates on the earliest of the following:

1. The date this Plan terminates;
2. The end of the period for which any required contribution was due and not paid;
3. The end of the calendar month You enter full-time military, naval or air service, except coverage may continue during an approved military leave of absence;
4. The end of the calendar month You fail to be in an eligible class of persons according to the eligibility requirements of the Employer;
5. For all Employees, the end of the calendar month in which You terminate employment with Your Employer;
6. For all Employees, the end of the calendar month You retire;
7. The end of the calendar month You request termination of coverage to be effective for Yourself;
8. For any benefit, the date the benefit is removed from this Plan;
9. For Your Dependents, the date Your coverage terminates;
10. For a Dependent child, the end of the calendar month such covered person no longer meets the definition of Dependent.

If You or any of Your covered Dependents no longer meet the eligibility requirements, You and Your Employer are responsible for notifying Anthem of the change in status. Coverage will not continue beyond the last date of eligibility even if notice has not been given to Anthem.
HOW YOUR PLAN WORKS

Note: Capitalized terms such as Covered Services, Medical Necessity, and Out-of-Pocket Maximum are defined in the “Definitions” Section.

Introduction

Your health Plan is an Health Maintenance Organization (HMO) which is a comprehensive Network Plan. If You choose a Network Provider, You will receive Network benefits. If You choose Out-of-Network Providers those services will not be covered except for Emergency and Urgent Care or as allowed as an Authorized Service. To find a Network Provider for this Plan, please see “How to Find a Provider in the Network,” later in this section.

Providers are compensated using a variety of payment arrangements, including fee for service, per diem, discounted fees, and global reimbursement.

All Covered Services must be Medically Necessary, and coverage or certification of services that are not Medically Necessary may be denied.

Network Services

When You use a Network Provider or get care as part of an Authorized Service, Covered Services will be covered at the Network level. Regardless of Medical Necessity, benefits will be denied for care that is not a Covered Service. The Plan has the final authority to decide the Medical Necessity of the service.

Network Providers include Primary Care Physicians/Providers (PCPs), Specialists (Specialty Care Physicians/Providers - SCPs), other professional Providers, Hospitals, and other facilities who contract with us to care for You. Referrals are never needed to visit a Network Specialist, including behavioral health Providers.

To see a Doctor, call their office:

- Tell them You are an Anthem Member,
- Have Your Member Identification Card handy. The Doctor’s office may ask You for Your group or Member ID number.
- Tell them the reason for Your visit.

When You go to the office, be sure to bring Your Member Identification Card with You.

For services from Network Providers:

1. You will not need to file claims. Network Providers will file claims for Covered Services for You. (You will still need to pay any Coinsurance, Copayments, and/or Deductibles that apply.) You may be billed by Your Network Provider(s) for any Non-Covered Services You get or when You have not followed the terms of this Benefit Booklet.
2. Precertification will be done by the Network Provider. (See the Health Care Management – Precertification section for further details.)

Please read the Claims Payment section for additional information on Authorized Services.

After Hours Care

If You need care after normal business hours, Your doctor may have several options for You. You should call Your doctor’s office for instructions if You need care in the evenings, on weekends, or during the holidays and cannot wait until the office reopens. If You have an Emergency, call 911 or go to the nearest Emergency Room.
Out-of-Network Services
When You do not use a Network Provider or get care as part of an Authorized Service, Covered Services are covered at the Out-of-Network level, unless otherwise indicated in this Benefit Booklet.

For services from an Out-of-Network Provider:

- There is no limit to what an Out-of-Network provider can charge
- The Out-of-Network Provider may charge You the difference between their bill and the Plan's Maximum Allowed Amount plus any Deductible and/or Coinsurance/Copayments;
- You may have higher cost sharing amounts (i.e., Deductibles, Coinsurance, and/or Copayments);
- You will have to pay for services that are not Medically Necessary;
- You will have to pay for Non-Covered Services;
- You may have to file claims; and
- You must make sure any necessary Precertification is done. (Please see Health Care Management – Precertification for more details.)

Use the Mobile App to Connect with Us
As soon as You enroll in this Plan, You should download the mobile app. You can find details on how to do this at www.anthem.com. The goal is to make it easy for You to find answers to Your questions. You can chat with a representative live in the app, or contact us at www.anthem.com.

How to Find a Provider in the Network
There are three ways You can find out if a Provider or facility is in the Network for this Plan. You can also find out where they are located and details about their license or training.

- See Your Plan’s directory of Network Providers at www.anthem.com, which lists the Doctors, Providers, and facilities that participate in this Plan’s Network.
- Search for a Provider in our mobile app.
- Call Member Services to ask for a list of doctors and Providers that participate in this Plan’s Network, based on specialty and geographic area.
- Check with Your doctor or Provider.

If You need details about a Provider’s license or training, or help choosing a doctor who is right for You, call the Member Services number on the back of Your Member Identification Card. TTY/TDD services also are available by dialing 711. A special operator will get in touch with us to help with Your needs.

Copayment
Certain Network services may be subject to a Copayment amount which is a flat-dollar amount You will be charged at the time services are rendered.

Copayments are the responsibility of the Member. Any Copayment amounts required are shown in the Schedule of Benefits.
HEALTH CARE MANAGEMENT - PRECERTIFICATION

Your Plan includes the process of Utilization Review to decide when services are Medically Necessary or Experimental/Investigative as those terms are defined in this Benefit Booklet. Utilization Review aids the delivery of cost-effective health care by reviewing the use of treatments and, when proper, level of care and/or the setting or place of service that they are performed.

Acute Care at Home Programs
Anthem has programs available that offer acute care to Members where they live as an alternative to staying in a Facility, when the Member’s condition and the Covered Services to be delivered, are appropriate for the home setting. We refer to these programs as Acute Care at Home Programs. These programs provide care for active, short-term treatment of a severe injury or episode of illness, an urgent medical condition, or during recovery from surgery. Acute care services are generally delivered by teams of health care Providers from a range of medical and surgical specialties. The Acute Care at Home Programs are separate from our Home Care Services benefit, are only available in certain Service Areas, and are only provided if the Member’s home meets accessibility requirements.

Covered Services provided by Acute Care at Home Programs may include Physician services (either in-person or via telemedicine), diagnostic services, surgery, home care services, home infusion therapy, Prescription Drugs Administered by a Medical Provider, therapy services, and follow-up care in the community. Prescription Drugs at a Retail or Mail Order Pharmacy are not included in these Programs. Benefits for those Drugs are described under the “Prescription Drug Retail Pharmacy or Home Delivery (Mail Order) Pharmacy” section. Acute Care at Home Programs may also include services required to set up telemedicine technology for in-home patient monitoring, and may include coverage for meals.

Members who qualify for these programs will be contacted by our Provider, who will discuss how treatment will be structured, and what costs may be required for the services. Benefit limits that might otherwise apply to outpatient or home care services, (e.g., home care visits, physical therapy, etc.), may not apply to these programs.

Your participation in these programs is voluntary. If You choose to participate, Your Provider will discuss the length of time that benefits are available under the program (e.g., the Acute Care at Home Benefit Period) when You enroll. The Acute Care at Home Benefit Period typically begins on the date Your Acute Care at Home Provider sets up services in Your home, and lasts until the date You are discharged from the Program.

Any Covered Services received before or after the Acute Care at Home Benefit Period will be covered according to the other benefits of this Plan.

Reviewing Where Services are Provided
A service must be Medically Necessary to be a Covered Service. When level of care, setting or place of service is reviewed, services that can be safely given to You in a lower level of care or lower cost setting/place of care, will not be Medically Necessary if they are given in a higher level of care or higher cost setting/place of care. This means that a request for a service may be denied because it is not Medically Necessary for the service to be provided where it is being requested. When this happens the service can be requested again in another place and will be reviewed again for Medical Necessity. At times a different Provider or facility may need to be used in order for the service to be considered Medically Necessary. Examples include, but are not limited to:

- A service may be denied on an Inpatient basis at a Hospital but may be approvable if provided on an outpatient basis at a Hospital.
- A service may be denied on an outpatient basis at a Hospital but may be approvable at a free standing imaging center, infusion center, Ambulatory Surgery Center, or in a Physician’s office.
- A service may be denied at a Skilled Nursing facility but may be approvable in a home setting.
Utilization Review criteria will be based on many sources including medical policy and clinical guidelines. The Plan may decide that a treatment that was asked for is not Medically Necessary if a clinically equivalent treatment that is more cost effective is available and appropriate. “Clinically equivalent” means treatments that for most Members will give You similar results for a disease or condition.

If You have any questions about the Utilization Review process, the medical policies, or clinical guidelines, You may call the Member Services telephone number on Your Identification Card or visit www.anthem.com.

Coverage for or payment of the service or treatment reviewed is not guaranteed even if the Plan decides Your services are Medically Necessary. For benefits to be covered, on the date You get service:

1. You must be eligible for benefits;
2. Fees must be paid for the time period that services are given;
3. The service or supply must be a Covered Service under Your Plan;
4. The service cannot be subject to an Exclusion under Your Plan; and
5. You must not have exceeded any applicable limits under Your Plan.

Types of Reviews:

- **Pre-service Review** – A review of a service, treatment or admission for a benefit coverage determination which is done before the service or treatment begins or admission date.

- **Precertification** – A required Pre-service Review for a benefit coverage determination for a service or treatment. Certain services require Precertification in order for You to get benefits. The benefit coverage review will include a review to decide whether the service meets the definition of Medical Necessity or is Experimental/Investigative as those terms are defined in this Benefit Booklet.

For admissions following Emergency Care, You, Your authorized representative or Doctor must tell the Claims Administrator no later than 2 business days after admission or as soon as possible within a reasonable period of time. For childbirth admissions, Precertification is not needed unless there is a problem and/or the mother and baby are not sent home at the same time. Precertification is not required for the first 48 hours for a vaginal delivery or 96 hours for a cesarean section. Admissions longer than 48/96 hours require precertification.

- **Continued Stay/Concurrent Review** - A Utilization Review of a service, treatment or admission for a benefit coverage determination which must be done during an ongoing stay in a facility or course of treatment.

Both Pre-Service and Continued Stay/Concurrent Reviews may be considered urgent when, in the view of the treating Provider or any Doctor with knowledge of Your medical condition, without such care or treatment, Your life or health or Your ability to regain maximum function could be seriously threatened or You could be subjected to severe pain that cannot be adequately managed without such care or treatment. Urgent reviews are conducted under a shorter timeframe than standard reviews.

- **Post-service Review** – A review of a service, treatment or admission for a benefit coverage that is conducted after the service has been provided. Post-service reviews are performed when a service, treatment or admission did not need a Precertification, or when a needed Precertification was not obtained. Post-service reviews are done for a service, treatment or admission in which the Claims Administrator has a related clinical coverage guideline and are typically initiated by the Claims Administrator.
Failure to Obtain Precertification Penalty:

**IMPORTANT NOTE:** IF YOU OR YOUR PROVIDER DO NOT OBTAIN THE REQUIRED PRECERTIFICATION, A 50% PENALTY WILL APPLY AND YOUR OUT OF POCKET COSTS WILL INCREASE.

The following list is not all inclusive and is subject to change; please call the Member Services telephone number on Your Identification Card to confirm the most current list and requirements for Your Plan. It is important to note that the Plan may exclude coverage for some services on this list.

Services not requiring pre-certification for coverage, but recommended for pre-determination of medical necessity due to the existence of post service claim edits and/or the potential cost of services to the member if denied by Anthem for lack of medical necessity:

(1) Procedures, equipment, and/or specialty infusion drugs which have medically necessary criteria determined by Corporate Medical Policy or Adopted Clinical Guidelines.

The ordering Provider, facility or attending Physician should contact the Claims Administrator to request a Precertification or Predetermination review ("requesting Provider"). The Claims Administrator will work directly with the requesting Provider for the Precertification request. However, You may designate an authorized representative to act on Your behalf for a specific request. The authorized representative can be anyone who is 18 years of age or older.

The Claims Administrator will utilize its clinical coverage guidelines, such as medical policy, clinical guidelines, and other applicable policies and procedures to help make Medical Necessity decisions. Medical policies and clinical guidelines reflect the standards of practice and medical interventions identified as proper medical practice. The Claims Administrator reserves the right to review and update these clinical coverage guidelines from time to time.

You are entitled to ask for and get, free of charge, reasonable access to any records concerning Your request. To ask for this information, call the Precertification phone number on the back of Your Identification Card.

If You are not satisfied with the Plan’s decision under this section of Your benefits, please refer to the Your Right To Appeal section to see what rights may be available to You.

Decision and Notice Requirements
The Claims Administrator will review requests for benefits according to the timeframes listed below. The timeframes and requirements listed are based on Federal laws. You may call the phone number on the back of Your Identification Card for more details.

If the Claims Administrator does not get the specific information needed by the required timeframe, the Claims Administrator will make a decision based upon the information it has.

**Important Information**

From time to time certain medical management processes (including utilization management, case management, and disease management) may be waived, enhanced, changed or ended. An alternate benefit may be offered if in the Plan’s sole discretion, such change furthers the provision of cost effective, value based and/or quality services.

Certain qualifying Providers may be selected to take part in a program or a provider arrangement that exempts them from certain procedural or medical management processes that would otherwise apply. Your claim may also be exempted from medical review if certain conditions apply.

Just because a process, Provider or Claim is exempted from the standards which otherwise would apply, it does not mean that this will occur in the future, or will do so in the future for any other Provider, claim or Member. The Plan may stop or change any such exemption with or without advance notice.

You may find out whether a Provider is taking part in certain programs or a provider arrangement by contacting the Member Services number on the back of Your Identification Card.

The Claims Administrator also may identify certain Providers to review for potential fraud, waste, abuse or other inappropriate activity if the claims data suggests there may be inappropriate billing practices. If a Provider is selected under this program, then the Claims Administrator may use one or more clinical utilization management guidelines in the review of claims submitted by this Provider, even if those guidelines are not used for all Providers delivering services to this Plan’s Members.

**Health Plan Individual Case Management**

The Claims Administrator’s individual health plan case management programs (Case Management) helps coordinate services for Members with health care needs due to serious, complex, and/or chronic health conditions. The Claims Administrator’s programs coordinate benefits and educate Members who agree to take part in the Case Management program to help meet their health-related needs.

The Claims Administrator’s Case Management programs are confidential and voluntary and are made available at no extra cost to You. These programs are provided by, or on behalf of and at the request of, Your health plan Case Management staff. These Case Management programs are separate from any Covered Services You are receiving.

If You meet program criteria and agree to take part, the Claims Administrator will help You meet Your identified health care needs. This is reached through contact and team work with You and/or Your authorized representative, treating Physician(s), and other Providers.
In addition, the Claims Administrator may assist in coordinating care with existing community-based programs and services to meet Your needs. This may include giving You information about external agencies and community-based programs and services.

In certain cases of severe or chronic illness or Injury, the Plan may provide benefits for alternate care that is not listed as a Covered Service. The Plan may also extend Covered Services beyond the Benefit Maximums of this Plan. The Claims Administrator will make any recommendation of alternate or extended benefits to the Plan on a case-by-case basis, if at the Claims Administrator’s discretion the alternate or extended benefit is in the best interest of You and the Plan and You or Your authorized representative agree to the alternate or extended benefit in writing. A decision to provide extended benefits or approve alternate care in one case does not obligate the Plan to provide the same benefits again to You or to any other Member. The Plan reserves the right, at any time, to alter or stop providing extended benefits or approving alternate care. In such case, the Claims Administrator will notify You or Your authorized representative in writing.
BENEFITS

Payment terms apply to all Covered Services. Please refer to the Schedule of Benefits for details.

All Covered Services must be Medically Necessary.

Acupuncture
Treatment of neuromusculoskeletal pain by an acupuncturist who acts within the scope of their license. Treatment involves using needles along specific nerve pathways to ease pain.

Ambulance Service
Medically Necessary ambulance services are a Covered Service when:

You are transported by a state licensed vehicle that is designed, equipped, and used only to transport the sick and injured and staffed by Emergency Medical Technicians (EMT), paramedics, or other certified medical professionals. This includes ground, water, fixed wing, and rotary wing air transportation.

And one or more of the following criteria are met:

For ground ambulance, You are taken:
- From Your home, the scene of an accident or medical Emergency to a Hospital;
- Between Hospitals, including when the Claims Administrator requires You to move from an Out-of-Network Hospital to a Network Hospital
- Between a Hospital and a Skilled Nursing facility or other approved facility.

For air or water ambulance, You are taken:
- From the scene of an accident or medical Emergency to a Hospital;
- Between Hospitals, including when the Claims Administrator requires You to move from an Out-of-Network Hospital to a Network Hospital
- Between a Hospital and an approved facility.

Ambulance Services are subject to Medical Necessity reviews by the Claims Administrator. Emergency ground ambulance services do not require precertification and are allowed regardless of whether the Provider is a Network or Out-of-Network Provider.

Non-Emergency Ambulance Services are subject to Medical Necessity reviews by the Claims Administrator. When using an air ambulance, for non-Emergency transportation, the Claims Administrator reserves the right to select the air ambulance Provider. If You do not use the air ambulance Provider the Claims Administrator selects, the Out-of-Network Provider may bill You for any charges that exceed the Plan's Maximum Allowed Amount.

You must be taken to the nearest facility that can give care for Your condition. In certain cases the Claims Administrator may approve benefits for transportation to a facility that is not the nearest facility.

Benefits also include Medically Necessary treatment of a sickness or Injury by medical professionals from an ambulance service, even if You are not taken to a facility.

Ambulance Services are not covered when another type of transportation can be used without endangering Your health. Ambulance Services for Your convenience or the convenience of Your family or Physician are not a Covered Service.
Other non-covered Ambulance Services include, but are not limited to, trips to:

- a Physician’s office or clinic; or
- a morgue or funeral home.

**Important Notes on Air Ambulance Benefits**

Benefits are only available for air ambulance when it is not appropriate to use a ground or water ambulance. For example, if using a ground ambulance would endanger Your health and Your medical condition requires a more rapid transport to a facility than the ground ambulance can provide, the Plan will cover the air ambulance. Air ambulance will also be covered if You are in an area that a ground or water ambulance cannot reach.

Air ambulance will not be covered if You are taken to a Hospital that is not an acute care Hospital (such as a Skilled Nursing facility or a rehabilitation facility), or if You are taken to a Physician's office or Your home.

**Hospital to Hospital Transport**

If You are moving from one Hospital to another, air ambulance will only be covered if using a ground ambulance would endanger Your health and if the Hospital that first treats cannot give You the medical services You need. Certain specialized services are not available at all Hospitals. For example, burn care, cardiac care, trauma care, and critical care are only available at certain Hospitals. To be covered, You must be taken to the closest Hospital that can treat You. **Coverage is not available for air ambulance transfers simply because You, Your family, or Your Provider prefers a specific Hospital or Physician.**

**Assistant Surgery**

Services rendered by an assistant surgeon are covered based on Medical Necessity.

**Autism Spectrum Disorders**

• Performed by a relative of a Member for which, in the absence of any health benefits coverage, no charge would be made; and
• For services provided by persons who are not licensed as required by law.

**Behavioral Health Care and Substance Use Disorder Treatment**

See the Schedule of Benefits for any applicable Deductible, Coinsurance/Copayment information. Coverage for the diagnosis and treatment of Behavioral Health Care and Substance Use Disorder Treatment on an Inpatient or outpatient basis will not be subject to Deductibles or Copayment/Coinsurance provisions that are less favorable than the Deductibles or Copayment/Coinsurance provisions that apply to a physical illness as covered under this Benefit Booklet.

An “approved clinical trial” means a phase I, phase II, phase III, or phase IV clinical trial that studies the prevention, detection, or treatment of cancer or other life-threatening conditions. The term life-threatening condition means any disease or condition from which death is likely unless the disease or condition is treated.

      i. The Department of Veterans Affairs.
      ii. The Department of Defense.
      iii. The Department of Energy.
2. Studies or investigations done as part of an investigational new drug application reviewed by the Food and Drug Administration;

Your Plan may require You to use a Network Provider to maximize Your benefits.
Routine patient care costs include items, services, and Drugs provided to You in connection with an approved clinical trial that would otherwise be covered by this Plan.

All other requests for clinical trials services, including requests that are not part of approved clinical trials will be reviewed according to the Claims Administrator’s Clinical Coverage Guidelines, related policies and procedures.

Your Plan is not required to provide benefits for the following services. The Plan reserves its right to exclude any of the following services:

i. The Experimental/Investigative item, device, or service; or 
ii. Items and services that are given only to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; or 
iii. A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis; 
iv. Any item or service that is paid for, or should have been paid for, by the sponsor of the trial.

Consultation Services
Covered when the special skill and knowledge of a consulting Physician is required for the diagnosis or treatment of an illness or Injury. Second surgical opinion consultations are covered.

Supplies, equipment and appliances that include comfort, luxury, or convenience items or features that exceed what is Medically Necessary in Your situation will not be covered. Reimbursement will be based on the Maximum Allowed Amount for a standard item that is a Covered Service, serves the same purpose, and is Medically Necessary. Any expense that exceeds the Maximum Allowed Amount for the standard item which is a Covered Service is Your responsibility.

**Emergency Services**

Life-threatening Medical Emergency or serious Accidental Injury.

Coverage is provided for Hospital emergency room or freestanding Emergency Facility care, including a medical or behavioral health screening examination that is within the capability of the emergency department of a Hospital, including ancillary services routinely available to the emergency department to evaluate an Emergency Medical Condition; and within the capabilities of the staff and facilities available at the Hospital, such further medical or behavioral health examination and treatment as are required to Stabilize the patient. - The amount negotiated with Network Providers for the Emergency service furnished;
- The amount for the Emergency Service calculated using the same method the Claims Administrator generally uses to determine payments for Out-of-Network services but substituting the Network cost-sharing provisions for the Out-of-Network cost-sharing provisions; or
- The amount that would be paid under Medicare for the Emergency Service.

The Copayment and/or Coinsurance percentage payable for both Network and Out-of-Network are shown in the Schedule of Benefits.

**Notification**
To maximize Your benefits, You need to call the Claims Administrator's transplant department to discuss benefit coverage when it is determined a transplant may be needed. You must do this before You have an evaluation and/or work-up for a transplant. Your evaluation and work-up services must be provided by a Network Transplant Provider that we have chosen as a Centers of Medical Excellence for Transplant Provider and/or a Provider designated as a Network Transplant Provider by the Blue Cross and Blue Shield Association. Even if a Hospital is a Network Provider for other services, it may not be a Network Transplant Provider for certain transplant services. Please call us to find out which Hospitals are Network Transplant Providers.

Centers of Medical Excellence (CME) Transplant Providers

**Blue Distinction Center Facility:** Blue Distinction Facilities have met or exceeded national quality standards for care delivery.

**Centers of Medical Excellence (CME):** Centers of Medical Excellence Facilities have met or exceeded quality standards for care delivery.

**Network Transplant Provider:** Providers who have achieved designation as a Centers of Medical Excellence for Transplant and/or Blue Distinction Centers + or Blue Distinction Centers for Transplant. The Provider has entered into a Transplant Provider Agreement to give Covered Transplant Procedures to You and take care of certain administrative duties for the Transplant Network. A Provider may be a Network Transplant Provider for certain covered Transplant Procedures or all covered Transplant Procedures.

**Out-of-Network (PAR) Transplant Provider:** Providers participating in the Plan’s networks but not designated as a Centers of Medical Excellence for Transplant or Blue Distinction Center + or Blue Distinction Center for Transplant.

Contact the Member Services telephone number on Your Identification Card and ask for the transplant coordinator. The Claims Administrator will then assist the Member in maximizing their benefits by providing coverage information including details regarding what is covered and whether any medical policies, network requirements or Benefit Booklet exclusions are applicable. Failure to obtain this information prior to receiving services could result in increased financial responsibility for the Member.
**Covered Transplant Benefit Period**

At a Network Transplant Provider facility, the Transplant Benefit Period starts one day before a Covered Solid Organ Transplant Procedure and one day before high dose chemotherapy or preparative regimen for a Covered Bone Marrow/Stem Cell Transplant Procedure and lasts for the applicable case rate/global time period. The number of days will vary depending on the type of transplant received and the Network Transplant Provider agreement. Call the Claims Administrator for specific Network Transplant Provider details for services received at or coordinated by a Network Transplant Provider facility.

At an Out-of-Network Transplant Provider facility, the Transplant Benefit Period starts one day before a Covered Transplant Procedure and lasts until the date of discharge.

**Prior Approval and Precertification**

In order to maximize Your benefits, the Claims Administrator strongly encourages You to call its' transplant department to discuss benefit coverage when it is determined a transplant may be needed. You must do this before You have an evaluation and/or work-up for a transplant. The Claims Administrator will assist You in maximizing Your benefits by providing coverage information, including details regarding what is covered and whether any clinical coverage guidelines, medical policies, Network Transplant Provider requirements, or exclusions are applicable. Contact the Member Services telephone number on the back of Your Identification Card and ask for the transplant coordinator. Even if the Claims Administrator issues a prior approval for the Covered Transplant Procedure, You or Your Provider must call the Claims Administrator’s Transplant Department for precertification prior to the transplant whether this is performed in an Inpatient or outpatient setting.

Please note that there are instances where Your Provider requests approval for Human Leukocyte Antigen (HLA) testing, donor searches and/or a collection and storage of stem cells prior to the final determination as to what transplant procedure will be requested. Under these circumstances, the HLA testing and donor search charges are covered as routine diagnostic testing. The collection and storage request will be reviewed for Medical Necessity and may be approved. However, such an approval for HLA testing, donor search and/or a collection and storage is NOT an approval for the subsequent requested transplant. A separate Medical Necessity determination will be made for the transplant procedure.

**Transportation and Lodging**

The Plan will provide assistance with reasonable and necessary travel expenses as determined by the Claims Administrator when You obtain prior approval and are required to travel more than 75 miles from Your residence to reach the facility where Your covered transplant procedure will be performed. CLAIMS PAYMENT

Please note You may be required to complete an authorization form in order to have Your claims and other personal information sent to the Claims Administrator when You receive care in foreign countries. Failure to submit such authorizations may prevent foreign providers from sending Your claims and other personal information to the Claims Administrator.

Please remember that this Plan will not provide benefits for services from Out-of-Network Providers unless the claim is for Emergency Care or for services approved in advance by Anthem as an Authorized Service.

How to File Claims

Under normal conditions, the Claims Administrator should receive the proper claim form within 12 months after the service was provided. This section of the Benefit Booklet describes when to file a benefits claim and when a Hospital or Physician will file the claim for You.

Each person enrolled through the Plan receives an Identification Card. Remember, in order to receive full benefits, You must receive treatment from a Network Provider. When admitted to a Network Hospital, present Your Identification Card. Upon discharge, You will be billed only for those charges not covered by the Plan.

When You receive Covered Services from a Network Physician or other Network licensed health care provider, ask him or her to complete a claim form. Payment for Covered Services will be made directly to the provider.

For health care expenses other than those billed by a Network Provider, use a claim form to report Your expenses. You may obtain these from Your Employer or the Claims Administrator. Claims should include Your name, Plan and Group numbers exactly as they appear on Your Identification Card. Attach all bills to the claim form and file directly with the Claims Administrator. Be sure to keep a photocopy of all forms and bills for Your records. The address is on the claim form.

Save all bills and statements related to Your illness or Injury. Make certain they are itemized to include dates, places and nature of services or supplies.

Maximum Allowed Amount

General

This section describes how the Claims Administrator determines the amount of reimbursement for Covered Services. Reimbursement for services rendered by Network and Out-of-Network Providers is based on this Plan’s Maximum Allowed Amount for the Covered Service that You receive.

The Maximum Allowed Amount for this Plan is the maximum amount of reimbursement Anthem will allow for services and supplies:

- that meet Our definition of Covered Services, to the extent such services and supplies are covered under Your Plan and are not excluded;
- that are Medically Necessary; and
- that are provided in accordance with all applicable preauthorization, utilization management or other requirements set forth in Your Plan.

You will be required to pay a portion of the Maximum Allowed Amount to the extent You have a Copayment or Coinsurance. In addition, when You receive Covered Services from an Out-of-Network Provider, You
may be responsible for paying any difference between the Maximum Allowed Amount and the Provider’s actual charges. This amount can be significant.

When You receive Covered Services from a Provider, the Claims Administrator will, to the extent applicable, apply claim processing rules to the claim submitted for those Covered Services. These rules evaluate the claim information and, among other things, determine the accuracy and appropriateness of the procedure and diagnosis codes included in the claim. Applying these rules may affect Claims Administrator’s determination of the Maximum Allowed Amount. The Claims Administrator’s application of these rules does not mean that the Covered Services You received were not Medically Necessary. It means the Claims Administrator has determined that the claim was submitted inconsistent with procedure coding rules and/or reimbursement policies. For example, Your Provider may have submitted the claim using several procedure codes when there is a single procedure code that includes all of the procedures that were performed. When this occurs, the Maximum Allowed Amount will be based on the single procedure code rather than a separate Maximum Allowed Amount for each billed code.

Likewise, when multiple procedures are performed on the same day by the same Physician or other healthcare professional, the Plan may reduce the Maximum Allowed Amounts for those secondary and subsequent procedures because reimbursement at 100% of the Maximum Allowed Amount for those procedures would represent duplicative payment for components of the primary procedure that may be considered incidental or inclusive.

**Provider Network Status**

The Maximum Allowed Amount may vary depending upon whether the Provider is a Network Provider or an Out-of-Network Provider.

A Network Provider is a Provider who is in the managed network for this specific product or in a special Center of Medical Excellence or other closely managed specialty network, or who has a participation contract with the Claims Administrator. For Covered Services performed by a Network Provider, the Maximum Allowed Amount for this Plan is the rate the Provider has agreed with the Claims Administrator to accept as reimbursement for the Covered Services. Because Network Providers have agreed to accept the Maximum Allowed Amount as payment in full for those Covered Services, they should not send You a bill or collect for amounts above the Maximum Allowed Amount. However, You may receive a bill or be asked to pay all or a portion of the Maximum Allowed Amount to the extent You have a Copayment or Coinsurance. Please call Member Services for help in finding a Network Provider or visit [www.anthem.com](http://www.anthem.com).

Providers who have not signed any contract with the Claims Administrator and are not in any of the Claims Administrator’s networks are Out-of-Network Providers, subject to Blue Cross Blue Shield Association rules governing claims filed by certain ancillary providers.

For Covered Services You receive from an Out-of-Network Provider, the Maximum Allowed Amount for this Plan will be one of the following as determined by the Claims Administrator:

1. An amount based on the Claims Administrator’s Out-of-Network Provider fee schedule/rate, which the Claims Administrator has established in its’ discretion, and which the Claims Administrator reserves the right to modify from time to time, after considering one or more of the following: reimbursement amounts accepted by like/similar providers contracted with the Claims Administrator, reimbursement amounts paid by the Centers for Medicare and Medicaid Services for the same services or supplies, and other industry cost, reimbursement and utilization data; or

2. An amount based on reimbursement or cost information from the Centers for Medicare and Medicaid Services ("CMS"). When basing the Maximum Allowed amount upon the level or method of reimbursement used by CMS, the Administrator will update such information, which is unadjusted for geographic locality, no less than annually; or
3. An amount based on information provided by a third party vendor, which may reflect one or more of the following factors: (1) the complexity or severity of treatment; (2) level of skill and experience required for the treatment; or (3) comparable providers’ fees and costs to deliver care; or

4. An amount negotiated by the Claims Administrator or a third party vendor which has been agreed to by the Provider. This may include rates for services coordinated through case management; or

5. An amount based on or derived from the total charges billed by the Out-of-Network Provider.

Providers who are not contracted for this product, but contracted for other products with the Claims Administrator are also considered Out-of-Network. For this Plan, the Maximum Allowed Amount for services from these Providers will be one of the five methods shown above.

For Covered Services rendered outside the Claims Administrator’s Service Area by Out-of-Network Providers, claims may be priced using the local Blue Cross Blue Shield plan’s non-participating provider fee schedule/rate or the pricing arrangements required by applicable state or Federal law. In certain situations, the Maximum Allowed Amount for out of area claims may be based on billed charges, the pricing the Plan would use if the healthcare services had been obtained within the Claims Administrator’s Service Area, or a special negotiated price.

Unlike Network Providers, Out-of-Network Providers may send You a bill and collect for the amount of the Provider’s charge that exceeds the Plan’s Maximum Allowed Amount. You are responsible for paying the difference between the Maximum Allowed Amount and the amount the Provider charges. This amount can be significant. Choosing a Network Provider will likely result in lower Out of Pocket costs to You. Please call Member Services for help in finding a Network Provider or visit the Claims Administrator’s website at www.anthem.com.

Member Services is also available to assist You in determining this Plan’s Maximum Allowed Amount for a particular service from an Out-of-Network Provider. In order for the Claims Administrator to assist You, You will need to obtain from Your Provider the specific procedure code(s) and diagnosis code(s) for the services the Provider will render. You will also need to know the Provider’s charges to calculate Your Out of Pocket responsibility. Although Member Services can assist You with this pre-service information, the final Maximum Allowed Amount for Your claim will be based on the actual claim submitted by the Provider.

**Member Cost Share**

For certain Covered Services and depending on Your plan design, You may be required to pay a part of the Maximum Allowed Amount as Your cost share amount (for example Copayment, and/or Coinsurance).

Your cost share amount and Out-of-Pocket Limits may vary depending on whether You received services from a Network or Out-of-Network Provider. Specifically, You may be required to pay higher cost sharing amounts or may have limits on Your benefits when using Out-of-Network Providers. Please see the Schedule of Benefits in this Benefit Booklet for Your cost share responsibilities and limitations, or call Member Services to learn how this Plan’s benefits or cost share amounts may vary by the type of Provider You use.

The Plan will not provide any reimbursement for non-Covered Services. You may be responsible for the total amount billed by Your Provider for non-Covered Services, regardless of whether such services are performed by a Network or Out-of-Network Provider. Non-Covered Services include services specifically excluded from coverage by the terms of this Benefit Booklet and services received after benefits have been exhausted. Benefits may be exhausted by exceeding, for example, benefit caps or day/visit limits.

In some instances You may only be asked to pay the lower Network cost sharing amount when You use an Out-of-Network Provider. For example, if You go to a Network Hospital or Provider facility and receive Covered Services from an Out-of-Network Provider such as a radiologist, anesthesiologist or pathologist who is employed by or contracted with a Network Hospital or facility, You will pay the Network cost share...
amounts for those Covered Services. However, You also may be liable for the difference between the Maximum Allowed Amount and the Out-of-Network Provider’s charge.

The Claims Administrator and/or its designated pharmacy benefits manager may receive discounts, rebates, or other funds from drug manufacturers, wholesalers, distributors, and/or similar vendors, which may be related to certain Prescription Drug purchases under this Plan and which positively impact the cost effectiveness of Covered Services. These amounts are retained by the Claims Administrator. These amounts will not be applied to Your Deductible, if any, or taken into account in determining Your Copayment or Coinsurance.

Authorized Services
In some circumstances, such as where there is no Network Provider available for the Covered Service, the Plan may authorize the Network cost share amounts (Copayment, and/or Coinsurance) to apply to a claim for a Covered Service You receive from an Out-of-Network Provider (this is referred to as “In-For-Out Benefit Treatment”). In such circumstance, You must contact the Claims Administrator in advance of obtaining the Covered Service in order to get approval for In-For-Out Benefit Treatment. The Plan will authorize the Network cost share amounts to apply to a claim for Covered Services if You receive Emergency services from an Out-of-Network Provider and are not able to contact the Claims Administrator until after the Covered Service is rendered. If the Plan authorizes a Network cost share amount for Non-Emergency care for Covered Services provided by an Out-of-Network Provider, You also may still be liable for the difference between the Maximum Allowed Amount and the Out-of-Network Provider’s charge. Please contact Member Services for Authorized Services information or to request authorization.

Services Performed During Same Session
The Plan may combine the reimbursement of Covered Services when more than one service is performed during the same session. Reimbursement is limited to the Plan’s Maximum Allowed Amount. If services are performed by Out-of-Network Providers, then You are responsible for any amounts charged in excess of the Plan’s Maximum Allowed Amount with or without a referral or regardless if allowed as an Authorized Service. Contact the Claims Administrator for more information.

Processing Your Claim
You are responsible for submitting Your claims for expenses not normally billed by and payable to a Hospital or Physician. Always make certain You have Your Identification Card with You. Be sure the Hospital or Physician’s office personnel copy Your name, and identification numbers (including the 3-letter prefix) accurately when completing forms relating to Your coverage.

Timeliness of Filing for Member Submitted Claims
To receive benefits, a properly completed claim form with any necessary reports and records must be filed by You within 12 months of the date of service. Payment of claims will be made as soon as possible following receipt of the claim, unless more time is required because of incomplete or missing information. In this case, You will be notified of the reason for the delay and will receive a list of all information needed to continue processing Your claim. After this data is received, the Claims Administrator will complete claims processing. No request for an adjustment of a claim can be submitted later than 12 months after the claim has been paid.

Necessary Information
In order to process Your claim, the Claims Administrator may need information from the provider of the service. As a Member, You agree to authorize the Physician, Hospital, or other provider to release necessary information.

The Claims Administrator will consider such information confidential. However, the Plan and the Claims Administrator have the right to use this information to defend or explain a denied claim.

Notice of Claim & Proof of Loss
After You get Covered Services, we must receive written notice of Your claim within **12 months** in order for benefits to be paid. The claim must have the information we need to determine benefits. If the claim does not include enough information, we will ask for more details and it must be sent to us within **12 months** or no benefits will be covered, unless otherwise required by law (e.g., federal law allows exceptions for claims filed by the Veteran’s Administration up to a maximum 6 years from the date of service).

**Member’s Cooperation**
You will be expected to complete and submit to us all such authorizations, consents, releases, assignments and other documents that may be needed in order to obtain or assure reimbursement under Medicare, Workers’ Compensation or any other governmental program. If You fail to cooperate, You will be responsible for any charge for services.

**Explanation of Benefits**
After You receive medical care, You will generally receive an Explanation of Benefits (EOB). The EOB is a summary of the coverage You receive. The EOB is not a bill, but a statement sent by the Claims Administrator, to help You understand the coverage You are receiving. The EOB shows:

- total amounts charged for services/supplies received;
- the amount of the charges satisfied by Your coverage;
- the amount for which You are responsible (if any); and
- general information about Your Appeals rights.

**Unauthorized Use of Identification Card**
If You permit Your Identification Card to be used by someone else or if You use the card before coverage is in effect or after coverage has ended, You will be liable for payment of any expenses incurred resulting from the unauthorized use. Fraudulent misuse could also result in termination of the coverage. Fraudulent statements on enrollment forms and/or claims for services or payment involving all media (paper or electronic) may invalidate any payment or claims for services and be grounds for voiding the Member’s coverage. This includes fraudulent acts to obtain medical services and/or Prescription Drugs.

**Assignment**
You authorize the Claims Administrator, in its own discretion and on behalf of the Employer, to make payments directly to Providers for Covered Services. In no event, however, shall the Plan’s right to make payments directly to a Provider be deemed to suggest that any Provider is a beneficiary with independent claims and appeal rights under the Plan. The Claims Administrator also reserves the right, in its own discretion, to make payments directly to You as opposed to any Provider for Covered Service. In the event that payment is made directly to You, You have the responsibility to apply this payment to the claim from the Out-of-Network Provider. Payments and notice regarding the receipt and/or adjudication of claims may also be sent to an Alternate Recipient (which is defined herein as any child of a Subscriber who is recognized under a “Qualified Medical Child Support Order” as having a right to enrollment under the Employer’s Plan), or that person’s custodial parent or designated representative. Any payments made by the Claims Administrator (whether to any Provider for Covered Service or You) will discharge the Employer’s obligation to pay for Covered Services. You cannot assign Your right to receive payment to anyone, except as required by a “Qualified Medical Child Support Order” as defined by, and if subject to, ERISA or any applicable Federal law.

The coverage, rights, and benefits under the Plan are not assignable by any Member without the written consent of the Plan, except as provided above. This prohibition against assignment includes rights to receive payment, claim benefits under the Plan and/or law, sue or otherwise begin legal action, or request Plan documents or any other information that a Participant or beneficiary may request under ERISA, if subject to ERISA. Any assignment made without written consent from the Plan will be void and unenforceable.

Once a Provider performs a Covered Service, the Claims Administrator will not honor a request to withhold payment of the claims submitted.
The coverage and any benefits under the Plan are not assignable by any Member without the written consent of the Plan, except as provided above.

**Questions About Coverage or Claims**

If You have questions about Your coverage, contact Your Plan Administrator or the Claims Administrator’s Member Services Department. Be sure to always give Your Member Identification number.

When asking about a claim, give the following information:

- identification number;
- patient’s name and address;
- date of service and type of service received; and
- provider name and address (Hospital or Physician).

To find out if a Hospital or Physician is a Network Provider, call them directly or call the Claims Administrator.

The Plan does not supply You with a Hospital or Physician. In addition, neither the Plan nor the Claims Administrator is responsible for any Injuries or damages You may suffer due to actions of any Hospital, Physician or other person. In order to process Your claims, the Claims Administrator or the Plan Administrator may request additional information about the medical treatment You received and/or other group health insurance You may have. This information will be treated confidentially.

An oral explanation of Your benefits by an employee of the Claims Administrator, Plan Administrator or Plan Sponsor is not legally binding.

Any correspondence mailed to You will be sent to Your most current address. You are responsible for notifying the Plan Administrator or the Claims Administrator of Your new address.
YOUR RIGHT TO APPEAL

For purposes of these Appeal provisions, “claim for benefits” means a request for benefits under the plan. The term includes both pre-service and post-service claims.

- A pre-service claim is a claim for benefits under the plan for which You have not received the benefit or for which You may need to obtain approval in advance.
- A post-service claim is any other claim for benefits under the plan for which You have received the service.

If Your claim is denied or if Your coverage is rescinded:

- You will be provided with a written notice of the denial or rescission; and
- You are entitled to a full and fair review of the denial or rescission.

The procedure the Claims Administrator will follow will satisfy the requirements for a full and fair review under applicable federal regulations.

Notice of Adverse Benefit Determination
If Your claim is denied, the Claims Administrator’s notice of the adverse benefit determination (denial) will include:

- information sufficient to identify the claim involved;
- the specific reason(s) for the denial;
- a reference to the specific plan provision(s) on which the Claims Administrator’s determination is based;
- a description of any additional material or information needed to perfect Your claim;
- an explanation of why the additional material or information is needed;
- a description of the Plan’s review procedures and the time limits that apply to them, including a statement of Your right to bring a civil action under ERISA, if this Plan is subject to ERISA, within one year of the grievance or appeal decision if You submit a grievance or appeal and the claim denial is upheld;
- information about any internal rule, guideline, protocol, or other similar criterion relied upon in making the claim determination and about Your right to request a copy of it free of charge, along with a discussion of the claims denial decision;
- information about the scientific or clinical judgment for any determination based on medical necessity or experimental treatment, or about Your right to request this explanation free of charge, along with a discussion of the claims denial decision; and
- information regarding Your potential right to an External Appeal pursuant to Federal law.

For claims involving urgent/concurrent care:

- the Claims Administrator’s notice will also include a description of the applicable urgent/concurrent review process; and
- the Claims Administrator may notify You or Your authorized representative within 72 hours orally and then furnish a written notification.

Appeals
You have the right to appeal an adverse benefit determination (claim denial or rescission of coverage). You or Your authorized representative must file Your appeal within 180 calendar days after You are notified of the denial or rescission. You will have the opportunity to submit written comments, documents, records, and other information supporting Your claim. The Claims Administrator’s review of Your claim will take into account all information You submit, regardless of whether it was submitted or considered in the initial benefit determination.

- The Claims Administrator shall offer a single mandatory level of appeal and an additional voluntary second level of appeal which may be a panel review, independent review, or other process consistent with the entity reviewing the appeal. The time frame allowed for the Claims Administrator to complete
For pre-service claims involving urgent/concurrent care, You may obtain an expedited appeal. You or Your authorized representative may request it orally or in writing. All necessary information, including the Claims Administrator’s decision, can be sent between the Claims Administrator and You by telephone, facsimile or other similar method. To file an appeal for a claim involving urgent/concurrent care, You or Your authorized representative must contact the Claims Administrator at the number shown on Your identification card and provide at least the following information:

- the identity of the claimant;
- the date(s) of the medical service;
- the specific medical condition or symptom;
- the provider’s name;
- the service or supply for which approval of benefits was sought; and
- any reasons why the appeal should be processed on a more expedited basis.

All other requests for appeals should be submitted in writing by the Member or the Member’s authorized representative, except where the acceptance of oral appeals is otherwise required by the nature of the appeal (e.g., urgent care). You or Your authorized representative must submit a request for review to:

Anthem Blue Cross and Blue Shield, ATTN: Appeals, P.O. Box 105568, Atlanta, Georgia 30348

You must include Your Member Identification Number when submitting an appeal.

Upon request, the Claims Administrator will provide, without charge, reasonable access to, and copies of, all documents, records, and other information relevant to Your claim. “Relevant” means that the document, record, or other information:

- was relied on in making the benefit determination; or
- was submitted, considered, or produced in the course of making the benefit determination; or
- demonstrates compliance with processes and safeguards to ensure that claim determinations are made in accordance with the terms of the plan, applied consistently for similarly-situated claimants; or
- is a statement of the plan’s policy or guidance about the treatment or benefit relative to Your diagnosis.

The Claims Administrator will also provide You, free of charge, with any new or additional evidence considered, relied upon, or generated in connection with Your claim. In addition, before You receive an adverse benefit determination on review based on a new or additional rationale, the Claims Administrator will provide You, free of charge, with the rationale.

For Out of State Appeals You have to file Provider appeals with the Host Plan. This means Providers must file appeals with the same plan to which the claim was filed.

How Your Appeal will be Decided

When the Claims Administrator considers Your appeal, the Claims Administrator will not rely upon the initial benefit determination or, for voluntary second-level appeals, to the earlier appeal determination. The review will be conducted by an appropriate reviewer who did not make the initial determination and who does not work for the person who made the initial determination. A voluntary second-level review will be conducted by an appropriate reviewer who did not make the initial determination or the first-level appeal determination and who does not work for the person who made the initial determination or first-level appeal determination.

If the denial was based in whole or in part on a medical judgment, including whether the treatment is experimental, investigational, or not medically necessary, the reviewer will consult with a health care professional who has the appropriate training and experience in the medical field involved in making the judgment. This health care professional will not be one who was consulted in making an earlier determination or who works for one who was consulted in making an earlier determination.
Notification of the Outcome of the Appeal
If You appeal a claim involving urgent/concurrent care, the Claims Administrator will notify You of the outcome of the appeal as soon as possible, but not later than 72 hours after receipt of Your request for appeal.

If You appeal any other pre-service claim, the Claims Administrator will notify You of the outcome of the appeal within 30 days after receipt of Your request for appeal.

If You appeal a post-service claim, the Claims Administrator will notify You of the outcome of the appeal within 30 days after receipt of Your request for appeal.

Appeal Denial
If Your appeal is denied, that denial will be considered an adverse benefit determination. The notification from the Claims Administrator will include all of the information set forth in the above section entitled “Notice of Adverse Benefit Determination.”

If, after the Plan’s denial, the Claims Administrator considers, relies on or generates any new or additional evidence in connection with Your claim, the Claims Administrator will provide You with new or additional evidence, free of charge. The Claims Administrator will not base its appeal decision on a new or additional rationale without first providing You (free of charge) with, and a reasonable opportunity to respond to, any such new or additional rationale. If the Claims Administrator fails to follow the Appeal procedures outlined under this section the Appeals process may be deemed exhausted. However, the Appeals process will not be deemed exhausted due to minor violations that do not cause, and are not likely to cause, prejudice or harm so long as the error was for good cause or due to matters beyond the Claims Administrator’s control.

Voluntary Second Level Appeals
If You are dissatisfied with the Plan's mandatory first level appeal decision, a voluntary second level appeal may be available. If You would like to initiate a second level appeal, please write to the address listed above. Voluntary appeals must be submitted within 30 calendar days of the denial of the first level appeal. You are not required to complete a voluntary second level appeal prior to submitting a request for an independent External Review.

Voluntary Third Level Appeals
After You have received a voluntary second level appeal, You have the right to request in writing, a voluntary third level appeal through the University of Kentucky. You have 30 days to submit a request for a third level of review. Send a written request to: The Associate Vice President, Human Resource Services, The University of Kentucky, 101 Scovell Hall, Lexington, KY 40506. Include any additional information You have that supports the request. You don’t have to send the information from the first or second level appeal.

External Review
If the outcome of the mandatory first level appeal is adverse to You and it was based on medical judgment, or if it pertained to a rescission of coverage, You may be eligible for an independent External Review pursuant to federal law.

You must submit Your request for External Review to the Claims Administrator within 45 days of the notice of Your final internal adverse determination.

A request for an External Review must be in writing unless the Claims Administrator determines that it is not reasonable to require a written statement. You do not have to re-send the information that You submitted for internal appeal. However, You are encouraged to submit any additional information that You think is important for review.

For pre-service claims involving urgent/concurrent care, You may proceed with an Expedited External Review without filing an internal appeal or while simultaneously pursuing an expedited appeal through the Claims Administrator's internal appeal process. You or Your authorized representative may request it orally or in writing. All necessary information, including the Claims Administrator’s decision, can be
sent between the Claims Administrator and You by telephone, facsimile or other similar method. To proceed with an Expedited External Review, You or Your authorized representative must contact the Claims Administrator at the number shown on Your identification card and provide at least the following information:

- the identity of the claimant;
- the date(s) of the medical service;
- the specific medical condition or symptom;
- the provider’s name;
- the service or supply for which approval of benefits was sought; and
- any reasons why the appeal should be processed on a more expedited basis.

All other requests for External Review should be submitted in writing unless the Claims Administrator determines that it is not reasonable to require a written statement. Such requests should be submitted by You or Your authorized representative to:

Anthem Blue Cross and Blue Shield, ATTN: Appeals, P.O. Box 105568, Atlanta, Georgia 30348

**You must include Your Member Identification Number when submitting an appeal.**

This is not an additional step that You must take in order to fulfill Your appeal procedure obligations described above. Your decision to seek External Review will not affect Your rights to any other benefits under this health care plan. There is no charge for You to initiate an independent External Review. The External Review decision is final and binding on all parties except for any relief available through applicable state laws or ERISA, if this Plan is subject to ERISA.

**Requirement to file an Appeal before filing a lawsuit**

No lawsuit or legal action of any kind related to a benefit decision may be filed by You in a court of law or in any other forum, unless it is commenced within one year of the Plan’s final decision on the claim or other request for benefits. If the Plan decides an appeal is untimely, the Plan's latest decision on the merits of the underlying claim or benefit request is the final decision date. You must exhaust the Plan’s internal Appeals Procedure but not including any voluntary level of appeal, before filing a lawsuit or taking other legal action of any kind against the Plan. If Your health benefit plan is sponsored by Your employer and subject to the Employee Retirement Income Security Act of 1974 (ERISA) and Your appeal as described above results in an adverse benefit determination, You have a right to bring a civil action under Section 502(a) of ERISA within one year of appeal decision.

The Claims Administrator reserves the right to modify the policies, procedures and timeframes in this section upon further clarification from Department of Health and Human Services and Department of Labor.
COORDINATION OF BENEFITS (COB)

This Coordination of Benefits (COB) provision applies when You have health care coverage under more than one Plan.

Please note that several terms specific to this provision are listed below. Some of these terms have different meanings in other parts of the Benefit Booklet, e.g., Plan. For this provision only, "Plan" will have the meanings as specified below. In the rest of the Benefit Booklet, Plan has the meaning listed in the Definitions section.

The order of benefit determination rules determine the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits according to its policy terms regardless of the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable expense.

The Allowable expense under COB is generally the higher of the Primary and Secondary Plans' allowable amounts. A Network Provider can bill You for any remaining Coinsurance and/or Copayment under the higher of the Plans' allowable amounts. This higher allowable amount may be more than the Plan's Maximum Allowed Amount.

COB DEFINITIONS

Plan is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts.

1. Plan includes: Group and non group insurance contracts and subscriber contracts; Health maintenance organization (HMO) contracts; Uninsured arrangements of group or group-type coverage; Coverage under group or non group closed panel plans; Group-type contracts; Medical care components of long term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts (whether "fault" or "no fault"); Other governmental benefits, except for Medicare, Medicaid or a government plan that, by law, provides benefits that are in excess of those of any private insurance plan or other nongovernmental plan.

2. Plan does not include: Accident only coverage; Specified disease or specified accident coverage; Limited health benefit coverage; Benefits for non-medical components of long term care policies; Hospital indemnity coverage benefits or other fixed indemnity coverage; School accident-type coverages covering grammar, high school, and college students for accidents only, including athletic injuries, either on a twenty-four (24) hour or "to and from school" basis; and Medicare supplement policies.

Each contract for coverage under items 1. or 2. above is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

This Plan means the part of the contract providing health care benefits that the COB provision applies to and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

The order of benefit determination rules determine whether This Plan is a Primary Plan or Secondary Plan when You have health care coverage under more than one Plan.
When This Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable expense.

**Allowable expense** is a health care expense, including Coinsurance and Copayments, that is covered at least in part by any Plan covering You. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable expense and a benefit paid. An expense that is not covered by any Plan covering You is not an Allowable expense. In addition, any expense that a Provider by law or in accordance with a contractual agreement is prohibited from charging You is not an Allowable expense; however, if a Provider has a contractual agreement with both the Primary and Secondary Plans, then the higher of the contracted fees is the Allowable expense, and the Provider may charge up to the higher contracted fee.

The following are non Allowable expenses:

1. The difference between the cost of a semi-private Hospital room and a private Hospital room is not an Allowable expense, unless one of the Plans provides coverage for private Hospital room expenses.
2. If You are covered by 2 or more Plans that calculate their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement method or other similar reimbursement methods, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable expense.
3. If You are covered by 2 or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable expense.
4. If You are covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement method or other similar reimbursement method and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan's payment arrangement will be the Allowable expense for all Plans. However, if the Provider has contracted with the Secondary Plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary Plan's payment arrangement and if the Provider's contract permits, the negotiated fee or payment will be the Allowable expense used by the Secondary Plan to determine its benefits.
5. The amount that is subject to the Primary high-Deductible health plan's Deductible, if the Claims Administrator has been advised by You that all Plans covering You are high-Deductible health plans and You intend to contribute to a health savings account established in accordance with Section 223 of the Internal Revenue Code of 1986.

**Closed panel plan** is a Plan that provides health care benefits primarily in the form of services through a panel of Providers that contract with or are employed by the Plan, and that excludes coverage for services provided by other Providers, except in cases of emergency or referral by a panel member.

**Custodial parent** is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

**ORDER OF BENEFIT DETERMINATION RULES**

When You are covered by two or more Plans, the rules for determining the order of benefit payments are:

The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other Plan.

1. Except as provided in Paragraph 2. below, a Plan that does not contain a Coordination of Benefits provision that is consistent with this COB provision is always primary unless the provisions of both Plans state that the complying Plan is primary.
2. Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage will be excess to any other
parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are placed over base plan Hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed panel plan to provide Out-of-Network benefits.

A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.

Each Plan determines its order of benefits using the first of the following rules that apply:

**Rule 1 - Non-Dependent or Dependent.** The Plan that covers You other than as a Dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary Plan, and the Plan that covers You as a Dependent is the Secondary Plan. However, if You are a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering You as a Dependent and primary to the Plan covering You as other than a Dependent (e.g., a retired employee), then the order of benefits between the two Plans is reversed so that the Plan covering You as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the other Plan covering You as a Dependent is the Primary Plan.

**Rule 2 - Dependent Child Covered Under More Than One Plan.** Unless there is a court decree stating otherwise, when a Dependent child is covered by more than one Plan the order of benefits is determined as follows:

1. For a Dependent child whose parents are married or are living together, whether or not they have ever been married:
   - the Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
   - if both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.

2. For a Dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
   - If a court decree states that one of the parents is responsible for the Dependent child’s health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan is given notice of the court decree;
   - If a court decree states that both parents are responsible for the Dependent child’s health care expenses or health care coverage, the provisions of 1. above will determine the order of benefits;
   - If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the Dependent child, the provisions of 1. above will determine the order of benefits; or
   - If there is no court decree assigning responsibility for the Dependent child’s health care expenses or health care coverage, the order of benefits for the child are as follows:
     - The Plan covering the Custodial parent;
     - The Plan covering the Spouse of the Custodial parent;
     - The Plan covering the non-custodial parent; and then
     - The Plan covering the Spouse of the non-custodial parent.

3. For a Dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of items 1. or 2. above will determine the order of benefits as if those individuals were the parents of the child.

4. For a Dependent child who has coverage under either or both parents’ plans and also has his or her own coverage as a dependent under a spouses plan, Rule 5 applies. In the event the Dependent child’s coverage under the spouse’s plan began on the same date as the Dependent child’s coverage under either or both parents’ plans, the order of benefits will be determined by applying the birthday rule in item 1 above to the Dependent child’s parent(s) and the Dependent’s spouse.
Rule 3 - Active Employee or Retired or Laid-off Employee. The Plan that covers You as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan also covering You as a retired or laid-off employee is the Secondary Plan. The same would hold true if You are a Dependent of an active employee and You are a Dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if “Rule 1 - Non-Dependent or Dependent” can determine the order of benefits.

Rule 4 - COBRA. If You are covered under COBRA or under a right of continuation provided by other federal law and are covered under another Plan, the Plan covering You as an employee, member, subscriber or retiree or covering You as a Dependent of an employee, member, subscriber or retiree is the Primary Plan and the COBRA or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if “Rule 1 - Non-Dependent or Dependent” can determine the order of benefits. This rule does not apply when the person is covered either: (a) as a non- Dependent under both Plans (i.e. the person is covered under a right of continuation as a qualified beneficiary who, on the day before a qualifying event, was covered under the group health plan as an employee or as a retired employee and is covered under his or her own Plan as an employee, member, subscriber or retiree); or (b) as a Dependent under both plans (i.e. the person is covered under a right of continuation as a qualified beneficiary who, on the day before a qualifying event, was covered under the group health plan as a Dependent of an employee, member or subscriber or retired employee and is covered under the other plan as a Dependent of an employee, member, subscriber or retiree).

Rule 5 - Longer or Shorter Length of Coverage. The Plan that covered You longer is the Primary Plan and the Plan that covered You the shorter period of time is the Secondary Plan.

Rule 6 - If the preceding rules do not determine the order of benefits, the Allowable expenses will be shared equally between the Plans meeting the definition of Plan. In addition, This Plan will not pay more than it would have paid had it been the Primary Plan.

Secondary to Other Coverage
The Plan shall be secondary in coverage to any medical payments provision, no-fault automobile insurance policy, or personal injury protection policy regardless of any election made by anyone to the contrary. The Plan shall also be secondary to any excess insurance policy, including, but not limited to, school and/or athletic policies. This provision applies notwithstanding any coordination of benefits term to the contrary.

EFFECT ON THE BENEFITS OF THIS PLAN

When a Member is covered under two or more Plans which together pay more than this Plan’s benefits, the Plan will pay this Plan’s benefits according to the Order of Benefit Determination Rules. This Plan’s benefit payments will not be affected when it is Primary. However, when this Plan is Secondary under the Order of Benefit Determination Rules, benefits payable by this Plan will be reduced by the combined benefits of all other Plans covering You or Your Dependent.

When the benefits of this Plan are reduced, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of this Plan. If this Plan is secondary, the combined benefits of this Plan and the other Plan will never exceed what would have been provided by this Plan if primary. No benefits will be provided by this Plan when the amount paid by the other Plan is equal to or greater than the amount this Plan would have paid if Primary.

If You are enrolled in two or more Closed panel plans and if, for any reason, including the provision of service by a non-panel Provider, benefits are not payable by one Closed panel plan, COB will not apply between that Plan and other Closed panel plans.
RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. The Claims Administrator may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits. The Claims Administrator need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give the Claims Administrator any facts the Claims Administrator need to apply those rules and determine benefits payable.

FACILITY OF PAYMENT

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, This Plan may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. This Plan will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY

If the amount of the payments made by This Plan is more than should have paid under this COB provision, the Plan may recover the excess from one or more of the persons:
1. the Plan has paid or for whom the Plan have paid; or
2. any other person or organization that may be responsible for the benefits or services provided for the Member.

The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

When a Covered Person Qualifies for Medicare

Determining Which Plan is Primary
To the extent permitted by law, this Plan will pay Benefits second to Medicare when You become eligible for Medicare, even if You don't elect it. There are, however, Medicare-eligible individuals for whom the Plan pays Benefits first and Medicare pays benefits second:
- Subscribers with active current employment status age 65 or older and their Spouses age 65 or older; and
- individuals with end-stage renal disease, for a limited period of time.

Determining the Allowable Expense When This Plan is Secondary to Medicare
If this Plan is secondary to Medicare, the Medicare approved amount is the Allowable Expense, as long as the Provider accepts Medicare. If the Provider does not accept Medicare, the Medicare limiting charge (the most a Provider can charge You if they don't accept Medicare) will be the Allowable Expense. Medicare payments, combined with Plan Benefits, will not exceed 100% of the total Allowable Expense.

If You are eligible for, but not enrolled in, Medicare, and this Plan is secondary to Medicare, Benefits payable under this Plan will be reduced by the amount that would have been paid if You had been enrolled in Medicare.
SUBROGATION AND REIMBURSEMENT

These Subrogation and Reimbursement provisions apply when the Plan pays benefits as a result of Injuries or Illnesses You sustained, and You have a right to a Recovery or have received a Recovery from any source.

Definitions
As used in these Subrogation and Reimbursement provisions, “You” or “Your” includes anyone on whose behalf the plan pays benefits. These Subrogation and Reimbursement provisions apply to all current or former Plan participants and Plan beneficiaries. The provisions also apply to the parents, guardian, or other representative of a dependent child who incurs claims and is or has been covered by the Plan. The Plan’s rights under these provisions shall also apply to the personal representative or administrator of Your estate, Your heirs or beneficiaries, minors, and legally impaired persons. If the Member is a minor, any amount recovered by the minor, the minor’s trustee, guardian, parent, or other representative, shall be subject to these Subrogation and Reimbursement provisions. Likewise, if the Member’s relatives, heirs, and/or assignees make any Recovery because of Injuries sustained by the Member, or because of the death of the Member, that Recovery shall be subject to this provision, regardless of how any Recovery is allocated or characterized.

As used in these Subrogation and Reimbursement provisions, “Recovery” includes, but is not limited to, monies received from any person or party, any person’s or party’s liability insurance coverage, uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, workers’ compensation insurance or fund, premises medical payments coverage, restitution, or “no-fault” or personal Injury protection insurance and/or automobile medical payments coverage, or any other first or third party insurance coverage, whether by lawsuit, settlement or otherwise. Regardless of how You or Your representative or any agreements allocate or characterize the money You receive as a Recovery, it shall be subject to these provisions.

Subrogation
Immediately upon paying or providing any benefit under the Plan, the Plan shall be subrogated to, or stand in the place of, all of Your rights of Recovery with respect to any claim or potential claim against any party, due to an Injury, illness or condition to the full extent of benefits provided or to be provided by the Plan. The Plan has the right to recover payments it makes on Your behalf from any party or insurer responsible for compensating You for Your illnesses or Injuries. The Plan has the right to take whatever legal action it sees fit against any person, party, or entity to recover the benefits paid under the Plan. The Plan may assert a claim or file suit in Your name and take appropriate action to assert its subrogation claim, with or without Your consent. The Plan is not required to pay You part of any Recovery it may obtain, even if it files suit in Your name.

Reimbursement
If You receive any payment as a result of an Injury, illness or condition, You agree to reimburse the Plan first from such payment for all amounts the Plan has paid and will pay as a result of that Injury, illness or condition, up to and including the full amount of Your Recovery. If You obtain a Recovery and the Plan has not been repaid for the benefits the Plan paid on Your behalf, the Plan shall have a right to be repaid from the Recovery in the amount of the benefits paid on Your behalf. You must promptly reimburse the Plan from any Recovery to the extent of benefits the Plan paid on Your behalf regardless of whether the payments You receive make You whole for Your losses, illnesses and/or Injuries.

Secondary to Other Coverage
The Plan shall be secondary in coverage to any medical payments provision, no-fault automobile insurance policy, or personal Injury protection policy regardless of any election made by You to the contrary. The Plan shall also be secondary to any excess insurance policy, including, but not limited to,
school and/or athletic policies. This provision applies notwithstanding any Coordination of Benefits term to the contrary.

Assignment
In order to secure the Plan’s rights under these Subrogation and Reimbursement provisions, You agree to assign to the Plan any benefits or claims or rights of Recovery You have under any automobile policy or other coverage, to the full extent of the Plan’s Subrogation and Reimbursement claims. This assignment allows the Plan to pursue any claim You may have regardless of whether You choose to pursue the claim.

Applicability to All Settlements and Judgments
Notwithstanding any allocation or designation of Your Recovery made in any settlement agreement, judgment, verdict, release, or court order, the Plan shall have a right of full Recovery, in first priority, against any Recovery You make. Furthermore, the Plan’s rights under these Subrogation and Reimbursement provisions will not be reduced due to Your own negligence. The terms of these Subrogation and Reimbursement provisions shall apply and the Plan is entitled to full Recovery regardless of whether any liability for payment is admitted and regardless of whether the terms of any settlement, judgment, or verdict pertaining to Your Recovery identify the medical benefits the Plan provided or purport to allocate any portion of such Recovery to payment of expenses other than medical expenses. The Plan is entitled to recover from any Recovery, even those designated as being for pain and suffering, non-economic damages, and/or general damages only.

Constructive Trust
By accepting benefits from the Plan, You agree that if You receive any payment as a result of an Injury, illness or condition, You will serve as a constructive trustee over those funds. You and Your legal representative must hold in trust for the Plan the full amount of the Recovery to be paid to the Plan immediately upon receipt. Failure to hold such funds in trust will be deemed a breach of Your fiduciary duty to the Plan. Any Recovery You obtain must not be dissipated or disbursed until such time as the Plan has been repaid in accordance with these Subrogation and Reimbursement provisions.

Lien Rights
The Plan will automatically have a lien to the extent of benefits paid by the Plan for the treatment of Your illness, Injury or condition upon any Recovery related to treatment for any illness, Injury or condition for which the Plan paid benefits. The lien may be enforced against any party who possesses funds or proceeds from Your Recovery including, but not limited to, You, Your representative or agent, and/or any other source possessing funds from Your Recovery. You and Your legal representative acknowledge that the portion of the Recovery to which the Plan’s equitable lien applies is a Plan asset. The Plan shall be entitled to equitable relief, including without limitation restitution, the imposition of a constructive trust or an injunction, to the extent necessary to enforce the Plan’s lien and/or to obtain (or preclude the transfer, dissipation or disbursement of) such portion of any Recovery in which the Plan may have a right or interest.

First-Priority Claim
By accepting benefits from the Plan, You acknowledge the Plan’s rights under these Subrogation and Reimbursement provisions are a first priority claim and are to be repaid to the Plan before You receive any Recovery for Your damages. The Plan shall be entitled to full reimbursement on a first-dollar basis from any Recovery, even if such payment to the Plan will result in a Recovery which is insufficient to make You whole or to compensate You in part or in whole for the losses, Injuries, or illnesses You sustained. The “made-whole” rule does not apply. To the extent that the total assets from which a Recovery is available are insufficient to satisfy in full the Plan's subrogation claim and any claim held by You, the Plan's subrogation claim shall be first satisfied before any part of a Recovery is applied to Your claim, Your attorney fees, other expenses or costs. The Plan is not responsible for any attorney fees, attorney liens, other expenses or costs You incur. The “common fund” doctrine does not apply to any funds recovered by any attorney You hire regardless of whether funds recovered are used to repay benefits paid by the Plan.
Cooperation
You agree to cooperate fully with the Plan’s efforts to recover benefits paid. The duty to cooperate includes, but is not limited, to the following:

• You must promptly notify the Plan of how, when and where an accident or incident resulting in personal injury or illness to You occurred, all information regarding the parties involved and any other information requested by the Plan.

• You must notify the plan within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to Your injury, illness or condition.

• You must cooperate with the Plan in the investigation, settlement and protection of the Plan's rights. In the event that You or Your legal representative fails to do whatever is necessary to enable the Plan to exercise its subrogation or reimbursement rights, the Plan shall be entitled to deduct the amount the Plan paid from any future benefits under the Plan.

• You and Your agents shall provide all information requested by the Plan, the Claims Administrator or its representative including, but not limited to, completing and submitting any applications or other forms or statements as the Plan may reasonably request and all documents related to or filed in personal injury litigation.

• You recognize that to the extent that the Plan paid or will pay benefits under a capitated agreement, the value of those benefits for purposes of these provisions will be the reasonable value of those payments or the actual paid amount, whichever is higher.

• You must do anything to prejudice the Plan's rights under these Subrogation and Reimbursement provisions. This includes, but is not limited to, refraining from making any settlement or Recovery that attempts to reduce or exclude the full cost of all benefits provided by the Plan.

• You must send the Plan copies of all police reports, notices or other papers received in connection with the accident or incident resulting in personal injury or illness to You.

• You must promptly notify the Plan if You retain an attorney or if a lawsuit is filed on Your behalf.

• You must immediately notify the Plan if a trial is commenced, if a settlement occurs or if potentially dispositive motions are filed in a case.

In the event that You or Your legal representative fails to do whatever is necessary to enable the Plan to exercise its rights under these Subrogation and Reimbursement provisions, the Plan shall be entitled to deduct the amount the Plan paid from any future benefits under the Plan.

If You fail to repay the Plan, the Plan shall be entitled to deduct any of the unsatisfied portion of the amount of benefits the Plan has paid or the amount of Your Recovery whichever is less, from any future benefit under the Plan if:

1. The amount the Plan paid on Your behalf is not repaid or otherwise recovered by the Plan; or
2. You fail to cooperate.

In the event You fail to disclose the amount of Your settlement to the Plan, the Plan shall be entitled to deduct the amount of the Plan’s lien from any future benefit under the Plan.

The Plan shall also be entitled to recover any of the unsatisfied portion of the amount the Plan has paid or the amount of Your Recovery, whichever is less, directly from the Providers to whom the Plan has made payments on Your behalf. In such a circumstance, it may then be Your obligation to pay the Provider the full billed amount, and the Plan will not have any obligation to pay the Provider or reimburse You.

You acknowledge the Plan has the right to conduct an investigation regarding the injury, illness or condition to identify potential sources of Recovery. The Plan reserves the right to notify all parties and their agents of its lien. Agents include, but are not limited to, insurance companies and attorneys.
You acknowledge the Plan has notified You that it has the right pursuant to the Health Insurance Portability & Accountability Act ("HIPAA"), 42 U.S.C. Section 1301 et seq, to share Your personal health information in exercising these Subrogation and Reimbursement provisions.

The Plan is entitled to recover its attorney’s fees and costs incurred in enforcing its rights under these Subrogation and Reimbursement provisions.

**Discretion**

The Plan Administrator has sole discretion to interpret the terms of the Subrogation and Reimbursement provisions of this Plan in its entirety and reserves the right to make changes as it deems necessary.

This Benefit Booklet, the Administrative Services Agreement, the Employer's application, any Riders, Endorsements or attachments, and the individual applications of the Subscribers and Members, if any, constitute the entire agreement between the Claims Administrator and the Employer and as of the Effective Date, supersede all other agreements between the parties. Any and all statements made to the Claims Administrator by the Employer, and any and all statements made to the Employer by the Claims Administrator, are representations and not warranties, and no such statement unless it is contained in a written application for coverage under the Plan, shall be used in defense to a claim under the Plan.

No agent or employee of the Claims Administrator is authorized to change the form or content of this Benefit Booklet. Such changes can be made only through an endorsement authorized and signed by an officer of the Employer.

Circumstances Beyond the Control of the Plan
The Claims Administrator shall make a good-faith effort to arrange for an alternative method of administering benefits. In the event of circumstances not within the control of the Claims Administrator or Employer, including but not limited to: a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, labor disputes not within the control of the Claims Administrator, impairment of a significant part of a Network Provider's personnel or similar causes, or the rendering of health care services provided by the Plan is delayed or rendered impractical the Claims Administrator shall make a good-faith effort to arrange for an alternative method of administering benefits. In such event, the Claims Administrator and Network Providers shall administer and render services under the Plan insofar as practical, and according to their best judgment; but the Claims Administrator and Network Providers shall incur no liability or obligation for delay, or failure to administer or arrange for services if such failure or delay is caused by such an event.

Protected Health Information Under HIPAA
The Health Insurance Portability and Accountability Act of 1996 (HIPAA), and the Privacy Regulations issued under HIPAA, contain provisions designed to protect the privacy of certain individually identifiable health information. Your Employer's Group Health Plan has a responsibility under the HIPAA Privacy Regulations to provide You with a Notice of Privacy Practices. This notice sets forth the Employer's rules regarding the disclosure of Your information and details about a number of individual rights You have under the Privacy Regulations. As the Claims Administrator of Your Employer's Plan, Anthem has also adopted a number of privacy practices and has described those in its Privacy Notice. If You would like a copy of Anthem's Notice, contact the Member Services number on Your Identification Card.

Workers' Compensation
The benefits under the Plan are not designed to duplicate any benefit for which Members are eligible under the Workers' Compensation Law. All sums paid or payable by Workers' Compensation for services provided to a Member shall be reimbursed by, or on behalf of, the Member to the Plan to the extent the Plan has made or makes payment for such services. It is understood that coverage hereunder is not in lieu of, and shall not affect, any requirements for coverage under Workers' Compensation or equivalent employer liability or indemnification law.

Other Government Programs
Except insofar as applicable law would require the Plan to be the primary payer, the benefits under the Plan shall not duplicate any benefits to which Members are entitled, or for which they are eligible under any other governmental program. To the extent the Plan has duplicated such benefits, all sums payable under such programs for services to Members shall be paid by or on behalf of the Member to the Plan.
Medicare

Any benefits covered under both this Plan and Medicare will be covered according to Medicare Secondary Payer legislation, regulations, and Centers for Medicare & Medicaid Services guidelines, subject to Federal court decisions. Federal law controls whenever there is a conflict among state law, Booklet terms, and Federal law.

Except when Federal law requires us to be the primary payer, the benefits under this Plan for Members age 65 and older, or Members otherwise eligible for Medicare, do not duplicate any benefit for which Members are entitled under Medicare, including Part B. Where Medicare is the responsible payer, all sums payable by Medicare for services provided to You shall be reimbursed by or on Your behalf to us, to the extent we have made payment for such services. If You do not enroll in Medicare Part B when You are eligible, You may have large out-of-pocket costs. Please refer to Medicare.gov for more details on when You should enroll, and when You are allowed to delay enrollment without penalties.

Right of Recovery and Adjustment

Whenever payment has been made in error, the Plan will have the right to recover such payment from You or, if applicable, the Provider or otherwise make appropriate adjustment to claims.

The Claims Administrator has oversight responsibility for compliance with Provider and vendor contracts. The Claims Administrator may enter into a settlement or compromise regarding enforcement of these contracts and may retain any recoveries made from a Provider or vendor resulting from these audits if the return of the overpayment is not feasible. Additionally, The Claims Administrator has established recovery and adjustment policies to determine which recoveries and adjustments are to be pursued, when to incur costs and expenses and settle or compromise recovery or adjustment amounts. The Claims Administrator will not pursue recoveries for overpayments or adjustments for underpayments if the cost of the activity exceeds the overpayment or underpayment amount.

Relationship of Parties (Employer-Member-Claims Administrator)

Neither the Employer nor any Member is the agent or representative of the Claims Administrator.

The Employer is a fiduciary agent of the Member. The Claims Administrator’s notice to the Employer will constitute effective notice to the Member. It is the Employer’s duty to notify the Claims Administrator of eligibility data in a timely manner. The Claims Administrator is not responsible for payment of Covered Services of Members if the Employer fails to provide the Claims Administrator with timely notification of Member enrollments or terminations.

Relationship of Parties (Claims Administrator - Network Providers)

The relationship between the Claims Administrator and Network Providers is an independent contractor relationship. Network Providers are not agents or employees of the Claims Administrator, nor is the Claims Administrator, or any employee of the Claims Administrator, an employee or agent of Network Providers.

Your Network Provider’s agreement for providing Covered Services may include financial incentives or risk sharing relationships related to provision of services or referrals to other Providers, including Network Providers, Out-of-Network Providers, and disease management programs. If You have questions regarding such incentives or risk sharing relationships, please contact Your Provider or the Claims Administrator.

The Blue Cross and Blue Shield marks are registered by the Blue Cross and Blue Shield Association, an association of independently licensed Blue Cross and Blue Shield plans, with the U.S. Patent and Trademark Office in Washington, D.C. and in other countries. Further, Anthem is not contracting as the agent of the Blue Cross and Blue Shield Association or any other Blue Cross and/or Blue Shield Plan or licensee. This paragraph shall not create
any additional obligations whatsoever on the part of Anthem other than those obligations created under other provisions of the Administrative Services Agreement or this Benefit Booklet.

Notice
Any notice given under the Plan shall be in writing. The notices shall be sent to: The Employer at its principal place of business; to You at the Subscriber's address as it appears on the records or in care of the Employer.

Modifications or Changes in Coverage
The Plan Sponsor may change the benefits described in this Benefit Booklet and the Member will be informed of such changes as required by law. This Benefit Booklet shall be subject to amendment, modification, and termination in accordance with any of its provisions by the Employer, or by mutual agreement between the Claims Administrator and the Employer without the consent or concurrence of any Member. By electing medical and Hospital benefits under the Plan or accepting the Plan benefits, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all terms, conditions, and provisions hereof.

 Fraud
Fraudulent statements on Plan enrollment forms or on electronic submissions will invalidate any payment or claims for services and be grounds for voiding the Member’s coverage.

Acts Beyond Reasonable Control (Force Majeure)
Should the performance of any act required by this coverage be prevented or delayed by reason of any act of God, strike, lock-out, labor troubles, restrictive government laws or regulations, or any other cause beyond a party’s control, the time for the performance of the act will be extended for a period equivalent to the period of delay, and non-performance of the act during the period of delay will be excused. In such an event, however, all parties shall use reasonable efforts to perform their respective obligations.

The Claims Administrator will adhere to the Plan Sponsor’s instructions and allow the Plan Sponsor to meet all of the Plan Sponsor’s responsibilities under applicable state and federal law. It is the Plan Sponsor’s responsibility to adhere to all applicable state and federal laws and the Claims Administrator does not assume any responsibility for compliance.

Conformity with Law
Any provision of the Plan which is in conflict with the applicable federal laws and regulations is hereby amended to conform with the minimum requirements of such laws.

Clerical Error
Clerical error, whether of the Claims Administrator or the Employer, in keeping any record pertaining to this coverage will not invalidate coverage otherwise validly in force or continue benefits otherwise validly terminated.

Policies and Procedures
The Claims Administrator, on behalf of the Employer, may adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of the Plan with which a Member shall comply.

Under the terms of the Administrative Service Agreement with Your Employer, the Claims Administrator has the authority, in its discretion, to institute from time to time, utilization management, care management, disease management or wellness pilot initiatives in certain designated geographic areas. These pilot initiatives are part of the Claims Administrator’s ongoing effort to find innovative ways to make available high quality and more affordable healthcare. A pilot initiative may affect some, but not all Members under the Plan. These programs will not result in the payment of benefits which are not provided in the Employer’s
Group Health Plan, unless otherwise agreed to by the Employer. The Claim's Administrator reserves the right to discontinue a pilot initiative at any time without advance notice to Employer.

Value-Added Programs
The Claims Administrator may offer health or fitness related programs to Members, through which You may access discounted rates from certain vendors for products and services available to the general public. Products and services available under this program are not Covered Services under the Plan but are in addition to plan benefits. As such, program features are not guaranteed under Your Employer's Group health Plan and could be discontinued at any time. The Claims Administrator does not endorse any vendor, product or service associated with this program. Program vendors are solely responsible for the products and services You receive.

Waiver
No agent or other person, except an authorized officer of the Employer, has authority to waive any conditions or restrictions of the Plan, to extend the time for making a payment to the Plan, or to bind the Plan by making any promise or representation or by giving or receiving any information.

Employer’s Sole Discretion
The Employer may, in its sole discretion, cover services and supplies not specifically covered by the Plan. This applies if the Employer, with advice from the Claims Administrator, determines such services and supplies are in lieu of more expensive services and supplies which would otherwise be required for the care and treatment of a Member.

Reservation of Discretionary Authority
The Claims Administrator shall have all the powers necessary or appropriate to enable it to carry out its duties in connection with the operation of the Plan and interpretation of the Benefit Booklet. This includes, without limitation, the power to construe the Administrative Services Agreement, to determine all questions arising under the Plan, to resolve Member Appeals and to make, establish and amend the rules, regulations and procedures with regard to the interpretation of the Benefit Booklet of the Plan. A specific limitation or exclusion will override more general benefit language. Anthem has complete discretion to interpret the Benefit Booklet. The Claims Administrator’s determination shall be final and conclusive and may include, without limitation, determination of whether the services, treatment, or supplies are Medically Necessary, Experimental/Investigative, whether surgery is cosmetic, and whether charges are consistent with the Plan's Maximum Allowed Amount. A Member may utilize all applicable Appeals procedures.

Care Received Outside the United States - Covered for Emergency Services Only
You will receive Plan benefits for emergency care and treatment received outside the United States. Plan provisions will apply. Any care received must be a Covered Service. Please pay the provider of service at the time You receive treatment and obtain appropriate documentation of services received including bills, receipts, letters and medical narrative. This information should be submitted with Your claim. All services will be subject to appropriateness of care. The Plan will reimburse You directly. Payment will be based on the Maximum Allowed Amount. Assignments of benefits to foreign providers or facilities cannot be honored.

You may be required to complete an authorization form in order to have Your claims and other personal information sent to the Claims Administrator when You receive care in foreign countries. Failure to submit such authorizations may prevent foreign providers from sending Your claims and other personal information to the Claims Administrator.
Governmental Health Care Programs
Under federal law, for groups with 20 or more Employees, all active Employees (regardless of age) can remain on the Group’s Health Plan and receive group benefits as primary coverage. Also, Spouses (regardless of age) of active Employees can remain on the Group’s Health Plan and receive group benefits as primary coverage. Direct any questions about Medicare eligibility and enrollment to Your local Social Security Administration office.

Medical Policy and Technology Assessment
The Claims Administrator reviews and evaluates new technology according to its technology evaluation criteria developed by its medical directors. Technology assessment criteria are used to determine the Experimental/Investigational status or Medical Necessity of new technology. Guidance and external validation of the Claims Administrator’s medical policy is provided by the Medical Policy and Technology Assessment Committee (MPTAC) which consists of approximately 20 Physicians from various medical specialties including the Claims Administrator’s medical directors, Physicians in academic medicine and Physicians in private practice.

Conclusions made are incorporated into medical policy used to establish decision protocols for particular diseases or treatments and applied to Medical Necessity criteria used to determine whether a procedure, service, supply or equipment is covered.

Payment Innovation Programs
The Claims Administrator pays Network Providers through various types of contractual arrangements. Some of these arrangements – Payment Innovation Programs (Program(s)) – may include financial incentives to help improve quality of care and promote the delivery of health care services in a cost-efficient manner.

These Programs may vary in methodology and subject area of focus and may be modified by the Claims Administrator from time to time, but they will be generally designed to tie a certain portion of a Network Provider’s total compensation to pre-defined quality, cost, efficiency or service standards or metrics. In some instances, Network Providers may be required to make payment to the Claims Administrator under the Program as a consequence of failing to meet these pre-defined standards.

The Programs are not intended to affect Your access to health care. The Program payments are not made as payment for specific Covered Services provided to You, but instead, are based on the Network Provider’s achievement of these pre-defined standards. You are not responsible for any Copayment or Coinsurance amounts related to payments made by or to the Claims Administrator under the Program(s), and You do not share in any payments made by Network Providers to the Claims Administrator under the Program(s).

Care Coordination
The Plan pays Network Providers in various ways to provide Covered Services to You. For example, sometimes the Plan may pay Network Providers a separate amount for each Covered Service they provide. The Plan may also pay them one amount for all Covered Services related to treatment of a medical condition. Other times, the Plan may pay a periodic, fixed pre-determined amount to cover the costs of Covered Services. In addition, the Plan may pay Network Providers financial incentives or other amounts to help improve quality of care and/or promote the delivery of health care services in a cost-efficient manner, or compensate Network Providers for coordination of Member care. In some instances, Network Providers may be required to make payment to the Plan because they did not meet certain standards. You do not share in any payments made by Network Providers to the Plan under these programs.

Program Incentives
The Plan may offer incentives from time to time, at its discretion, in order to introduce You to covered programs and services available under this Plan. The purpose of these incentives include, but is not limited to, making You aware of cost effective benefit options or services, helping You achieve Your best health, and encouraging You to update member-related information. These incentives may be offered in various forms such as retailer coupons, gift cards, health related merchandise, and discounts on fees or Member
cost shares. Acceptance of these incentives is voluntary as long as the Plan offers the incentives program. The Plan may discontinue an incentive for a particular covered program or service at any time. If You have any questions about whether receipt of an incentive or retailer coupon results in taxable income to You, it is recommended that You consult Your tax advisor.

Confidentiality and Release of Information
Applicable state and Federal law requires us to undertake efforts to safeguard Your medical information.

For informational purposes only, please be advised that a statement describing our policies and procedures regarding the protection, use and disclosure of Your medical information is available on our website and can be furnished to You upon request by contacting our Member Services department.

Obligations that arise under state and Federal law and policies and procedures relating to privacy that are referenced but not included in this Benefit Booklet are not part of the contract between the parties and do not give rise to contractual obligations.
WHEN COVERAGE TERMINATES

Termination of Coverage (Individual)
Membership for You and Your enrolled family members may be continued as long as You are employed by the Employer and meet eligibility requirements. It ceases if Your employment ends, if You no longer meet eligibility requirements, if the Plan ceases, or if You fail to make any required contribution toward the cost of Your coverage. In any case, Your coverage would end at the expiration of the period covered by Your last contribution.

Coverage of an enrolled child ceases at the end of the month when the child attains the age 26. Coverage of an impaired child over age 26 ceases if the child is found to be no longer totally or permanently impaired.

Continuation of Coverage (Federal Law-COBRA)
If Your coverage ends under the Plan, You may be entitled to elect continuation coverage in accordance with federal law. If Your employer normally employs 20 or more people, and Your employment is terminated for any reason other than gross misconduct You may elect from 18-36 months of continuation benefits. You should contact Your Employer if You have any questions about Your COBRA rights.

Qualifying events for Continuation Coverage under Federal Law (COBRA)
COBRA continuation coverage is available when Your group coverage would otherwise end because of certain “qualifying events.” After a qualifying event, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” You, Your Spouse and Your Dependent children could become qualified beneficiaries if covered on the day before the qualifying event and group coverage would be lost because of the qualifying event. Qualified beneficiaries who elect COBRA must pay for this COBRA continuation coverage.

This benefit entitles each member of Your family who is enrolled in the company’s employee welfare benefit plan to elect continuation independently. Each qualified beneficiary has the right to make independent benefit elections at the time of annual enrollment. Covered Subscribers may elect COBRA continuation coverage on behalf of their Spouses, and parents or legal guardians may elect COBRA continuation coverage on behalf of their children. A child born to, or placed for adoption with, a covered Subscriber during the period of continuation coverage is also eligible for election of continuation coverage.

Continuation coverage stops before the end of the maximum continuation period if the Member becomes entitled to Medicare benefits. If a continuing beneficiary becomes entitled to Medicare benefits, then a qualified beneficiary – other than the Medicare beneficiary – is entitled to continuation coverage for no more than a total of 36 months. (For example, if You become entitled to Medicare prior to termination of employment or reduction in hours, COBRA continuation coverage for Your Spouse and children can last up to 36 months after the date of Medicare entitlement.)

**Second qualifying event**

If Your family has another qualifying event (such as a legal separation, divorce, etc.) during the initial 18 months of COBRA continuation coverage, Your Spouse and Dependent children can receive up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months from the original qualifying event. Such additional coverage is only available if the second qualifying event would have caused Your Spouse or Dependent children to lose coverage under the Plan had the first qualifying event not occurred. A qualified beneficiary must give timely notice to the Plan Administrator in such a situation.

**Notification Requirements**

In the event of Your termination, lay-off, reduction in work hours or Medicare entitlement, Your Employer must notify the company’s benefit Plan Administrator within 30 days. You must notify the company’s benefit Plan Administrator within 60 days of Your divorce, legal separation or the failure of Your enrolled Dependents to meet the program’s definition of Dependent. This notice must be provided in writing to the Plan Administrator. Thereafter, the Plan Administrator will notify qualified beneficiaries of their rights within 14 days.

To continue enrollment, You or an eligible family member must make an election within 60 days of the date Your coverage would otherwise end, or the date the company’s benefit Plan Administrator notifies You or Your family member of this right, whichever is later. You must pay the total Premium appropriate for the type of benefit coverage You choose to continue. If the Premium rate changes for active associates, Your monthly Premium will also change. The Premium You must pay cannot be more than 102% of the Premium charged for Employees with similar coverage, and it must be paid to the company’s benefit Plan Administrator within 30 days of the date due, except that the initial Premium payment must be made before 45 days after the initial election for continuation coverage, or Your continuation rights will be forfeited.

For Employees who are determined, at the time of the qualifying event, to be impaired under Title II (OASDI) or Title XVI (SSI) of the Social Security Act, and Employees who become impaired during the first 60 days of COBRA continuation coverage, coverage may continue from 18 to 29 months. These Employees’ Dependents are also eligible for the 18 to 29-month impairment extension. (This provision also applies if any covered family member is found to be impaired.) This provision would only apply if the qualified beneficiary provides notice of impairment status within 60 days of the disabling determination. In these cases, the Employer can charge 150% of Premium for months 19 through 29. This would allow health coverage to be provided in the period between the end of 18 months and the time that Medicare begins coverage for the impaired at 29 months. (If a qualified beneficiary is determined by the Social Security Administration to no longer be impaired, such qualified beneficiary must notify the Plan Administrator of that fact in writing within 30 days after the Social Security Administration’s determination.)
Trade Adjustment Act Eligible Individual

If you don’t initially elect COBRA coverage and later become eligible for trade adjustment assistance under the U.S. Trade Act of 1974 due to the same event which caused you to be eligible initially for COBRA coverage under this Plan, you will be entitled to another 60-day period in which to elect COBRA coverage. This second 60-day period will commence on the first day of the month on which you become eligible for trade adjustment assistance. COBRA coverage elected during this second election period will be effective on the first day of the election period.

When COBRA Coverage Ends

These benefits are available without proof of insurability and coverage will end on the earliest of the following:

- a covered individual reaches the end of the maximum coverage period;
- a covered individual fails to pay a required Premium on time;
- a covered individual becomes covered under any other group health plan after electing COBRA;
- a covered individual becomes entitled to Medicare after electing COBRA; or
- the Group terminates all of its group welfare benefit plans.

Continuation of Coverage During Military Leave (USERRA)

Under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), the Member may have a right to continuation of benefits subject to the conditions described below.

Under USERRA, if the Employee (or his or her Dependents) is covered under this Plan, and if the Employee becomes absent from employment by reason of military leave, the Employee (or his or her Dependents) may have the right to elect to continue health coverage under the plan. In order to be eligible for coverage during the period that the Employee is gone on military leave, the Employee must give reasonable notice to the Employer of his or her military leave and the Employee will be entitled to COBRA-like rights with respect to his or her medical benefits in that the Employee and his or her Dependents can elect to continue coverage under the plan for a period of 24 months from the date the military leave commences or, if sooner, the period ending on the day after the deadline for the Employee to apply for or return to work with the Employer. During military leave the Employee is required to pay the Employer for the entire cost of such coverage, including any elected Dependents’ coverage. However, if the Employee’s absence is less than 31 days, the employer must continue to pay its portion of the Premiums and the Employee is only required to pay his or her share of the Premiums without the COBRA-type 2% administrative surcharge.

Also, when the Employee returns to work, if the Employee meets the requirements specified below, USERRA states that the Employer must waive any exclusions and waiting periods, even if the Employee did not elect COBRA continuation. These requirements are (i) the Employee gave reasonable notice to his or her Employer of military leave, (ii) the military leave cannot exceed a prescribed period (which is generally five (5) years, except in unusual or extraordinary circumstances) and the Employee must have received no less than an honorable discharge (or, in the case of an officer, not been sentenced to a correctional institution), and (iii) the Employee must apply for reemployment or return to work in a timely manner upon expiration of the military leave (ranging from a single day up to 90 days, depending upon the period that he or she was gone). The Employee may also have to provide documentation to the Employer upon reemployment that would confirm eligibility. This protection applies to the Employee upon reemployment, as well as to any Dependent who has become covered under the Plan by reason of the Employee’s reinstatement of coverage.

Continuation of Coverage Due to Family and Medical Leave (FMLA)

An employee may continue membership in the Plan as provided by the Family and Medical Leave Act. An employee who has been employed at least one year, within the previous 12 months is eligible to choose to continue coverage for up to 24 weeks of unpaid leave for the following reasons:

- The birth of the employee’s child.
- The placement of a child with the employee for the purpose of adoption or foster care.
- To care for a seriously ill Spouse, child or parent.
- A serious health condition rendering the employee unable to perform his or her job.
If the employee chooses to continue coverage during the leave, the employee will be given the same health care benefits that would have been provided if the employee were working, with the same premium contribution ratio. If the employee’s premium for continued membership in the Plan is more than 30 days late, the Employer will send written notice to the employee. It will tell the employee that his or her membership will be terminated and what the date of the termination will be if payment is not received by that date. This notice will be mailed at least 15 days before the termination date.

If membership in the Plan is discontinued for non-payment of premium, the employee’s coverage will be restored to the same level of benefits as those the employee would have had if the leave had not been taken and the premium payment(s) had not been missed. This includes coverage for eligible dependents. The employee will not be required to meet any qualification requirements imposed by the Plan when he or she returns to work. This includes: new or additional waiting periods; waiting for an open enrollment period; or passing a medical exam to reinstate coverage.

Please contact Your Human Resources Department for state specific Family and Medical Leave Act information.

DEFINITIONS

Such care must occur while this Plan is in force. It does not include injuries for which benefits are provided under any Workers’ Compensation, Employer’s liability or similar law.

Administrative Services Agreement
The agreement between the Claims Administrator and the Employer regarding the administration of certain elements of the health care benefits of the Employer's Group Health Plan. This Benefit Booklet in conjunction with the Administrative Services Agreement, the application, if any, any amendment or rider, Your Identification Card and Your application for enrollment constitutes the entire Plan. If there is any conflict between either this Benefit Booklet or the Administrative Services Agreement and any amendment or rider, the amendment or rider shall control. If there is any conflict between this Benefit Booklet and the Administrative Services Agreement, the Administrative Services Agreement shall control.

Ambulance Services
A state-licensed emergency vehicle which carries injured or sick persons to a Hospital. Services which offer non-emergency, convalescent or invalid care do not meet this definition.

Authorized Service(s)
A Covered Service rendered by any Out-of-Network Provider, which has been authorized in advance (except for Emergency Care which may be authorized after the service is rendered) by the Claims Administrator will be paid at the Network level. The Member may be responsible for the difference between the Out-of-Network Provider’s charge and the Maximum Allowed Amount, in addition to any applicable Network coinsurance, Copayment or Deductible. For more information, see the Claims Payment section.

Behavioral Health Care
Includes services for Mental Health and Substance Use Disorder. Mental Health and Substance Use Disorder is a condition that is listed in the current edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM) as a mental health or substance use disorder condition.

Centers of Medical Excellence (CME) Network

A network of health care professionals contracted with the Claims Administrator or one or more of its affiliates, to provide transplant or other designated specialty services.

Claims Administrator
The company the Plan Sponsor chose to administer its health benefits. Anthem Health Plans of Kentucky was chosen to administer this Plan. The Claims Administrator provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims.

Coinsurance
Your share of the cost for Covered Services, which is a percent of the Maximum Allowed Amount. You normally pay Coinsurance after You meet Your Deductible. For example, if Your Plan lists 20% Coinsurance on office visits, and the Maximum Allowed Amount is $100, Your Coinsurance would be $20 after You meet the Deductible. The Plan would then cover the rest of the Maximum Allowed Amount. See the Schedule of Benefits for details. Your Coinsurance will not be reduced by any refunds, rebates, or any other form of negotiated post-payment adjustments.
Combined Limit
The maximum total of Network and Out-of-Network benefits available for designated health services in the Schedule of Benefits.

Complications of Pregnancy
Complications of Pregnancy result from conditions requiring Hospital confinement when the pregnancy is not terminated. The diagnoses of the complications are distinct from pregnancy but adversely affected or caused by pregnancy.

An ectopic pregnancy which is terminated is also considered a Complication of Pregnancy.

Complications of Pregnancy shall not include false labor, caesarean section, occasional spotting, Physician-prescribed rest during the period of pregnancy, morning sickness, hyperemesis gravidarum and similar conditions associated with the management of a difficult pregnancy which are not diagnosed distinctly as Complications of Pregnancy.

Congenital Anomaly
A condition or conditions that are present at birth regardless of causation. Such conditions may be hereditary or due to some influence during gestation.

Coordination of Benefits
A provision that is intended to avoid claims payment delays and duplication of benefits when a person is covered by two or more plans providing benefits or services for medical, dental or other care or treatment. It avoids claims payment delays by establishing an order in which plans pay their claims and providing an authority for the orderly transfer of information needed to pay claims promptly. It may avoid duplication of benefits by permitting a reduction of the benefits of a plan when, by the rules established by this provision, it does not have to pay its benefits first.

Copayment
A cost-sharing arrangement in which a Member pays a specified charge for a Covered Service, such as the Copayment indicated in the Schedule of Benefits for an office visit. The Member is usually responsible for payment of the Copayment at the time the health care is rendered. Copayments are distinguished from Coinsurance as flat dollar amounts rather than percentages of the charges for services rendered and are typically collected by the provider when services are rendered. Your Copayment will be the lesser of the amount shown in the Schedule of Benefits or the Maximum Allowed Amount.

Cosmetic Surgery
Any non-Medically Necessary surgery or procedure, the primary purpose of which is to improve or change the appearance of any portion of the body, but which does not restore bodily function, correct a disease state, physical appearance or disfigurement caused by an accident, birth defect, or correct or naturally improve a physiological function. Cosmetic Surgery includes but is not limited to rhinoplasty, lipectomy, surgery for sagging or extra skin, any augmentation or reduction procedures (e.g., mammoplasty, liposuction, keloids, rhinoplasty and associated surgery) or treatment relating to the consequences or as a result of Cosmetic Surgery.

Custodial Care includes, but is not limited to, any type of care the primary purpose of which is to attend to the Member’s activities of daily living which do not entail or require the continuing attention of trained medical or paramedical personnel. Examples of Custodial Care include, but are not limited to, assistance in walking, getting in and out of bed, bathing, dressing, feeding, using the toilet, changes of dressings of non-infected, post-operative or chronic conditions, supervision of medication that can be self-administered by the Member, general maintenance care of colostomy or ileostomy, routine services to maintain other services which, in the sole determination of the Plan, can be safely and adequately self-administered or performed by the average non-medical person without the direct supervision of trained medical and paramedical personnel, regardless of who actually provides the service, residential care and adult day care, protective and supportive care including educational services, rest care and convalescent care.

Developmental Delay
The statistical variation, as defined by standardized, validated developmental screening tests, such as the Denver Developmental Screening Test, in reaching age appropriate verbal/growth/motor skill developmental milestones when there is no apparent medical or psychological problem. It alone does not constitute an illness or an Injury.

(“Emergency services,” “emergency care,” or “Medical Emergency”) Emergency Medical Condition means a medical or behavioral health condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in one of the following conditions:
• Placing the health of the individual or the health of another person (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy;
• Serious impairment to bodily functions; or
• Serious dysfunction of any bodily organ or part.

Employee
A person who is engaged in active employment with the Employer and is eligible for Plan coverage under the employment regulations of the Employer. The Employee is also called the Subscriber.

Employer

Experimental/Investigative
Any Drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service, or supply used in or directly related to the diagnosis, evaluation, or treatment of a disease, Injury, illness, or other health condition which the Claims Administrator determines to be unproven.
The Claims Administrator will deem any Drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service, or supply to be Experimental/Investigative if the Claims Administrator determines that one or more of the following criteria apply when the service is rendered with respect to the use for which benefits are sought. The Drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service, or supply:

- Cannot be legally marketed in the United States without the final approval of the Food and Drug Administration (FDA), or other licensing or regulatory agency, and such final approval has not been granted;
- Has been determined by the FDA to be contraindicated for the specific use; or
- Is subject to review and approval of an Institutional Review Board (IRB) or other body serving a similar function; or
- Is provided pursuant to informed consent documents that describe the Drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service, or supply as Experimental/Investigative, or otherwise indicate that the safety, toxicity, or efficacy of the Drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service, or supply is under evaluation.

Any service not deemed Experimental/Investigative based on the criteria above may still be deemed Experimental/Investigative by the Claims Administrator. In determining whether a Service is Experimental/Investigative, the Claims Administrator will consider the information described below and assess whether:

- The scientific evidence is conclusory concerning the effect of the service on health outcomes;
- The evidence demonstrates the service improves net health outcomes of the total population for whom the service might be proposed by producing beneficial effects that outweigh any harmful effects;
- The evidence demonstrates the service has been shown to be as beneficial for the total population for whom the service might be proposed as any established alternatives; and
- The evidence demonstrates the service has been shown to improve the net health outcomes of the total population for whom the service might be proposed under the usual conditions of medical practice outside clinical investigatory settings.

The information considered or evaluated by the Claims Administrator to determine whether a Drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service, or supply is Experimental/Investigative under the above criteria may include one or more items from the following list which is not all inclusive:

- Published authoritative, peer-reviewed medical or scientific literature, or the absence thereof; or
- Evaluations of national medical associations, consensus panels, and other technology evaluation bodies; or

- Consent document(s) and/or the written protocol(s) used by the treating Physicians, other medical professionals, or facilities or by other treating Physicians, other medical professionals or facilities

Ineligible Provider
A provider which does not meet the minimum requirements to become a contracted Provider with the Claims Administrator. Services rendered to a Member by such a provider are not eligible for payment.

Infertile or Infertility
The condition of a presumably healthy Member who is unable to conceive or produce conception. This does not include conditions for men when the cause is a vasectomy or orchiectomy or for women when the cause is tubal ligation or hysterectomy.

Initial Enrollee
A person actively employed by the Employer (or one of that person’s Covered Dependents) who was either previously enrolled under the group coverage which this Plan replaces or who is eligible to enroll on the Effective Date of this Plan.

Injury
Bodily harm from a non-occupational accident.

Inpatient
A Member who is treated as a registered bed patient in a Hospital and for whom a room and board charge is made.
Intensive Care Unit
A special unit of a Hospital that: (1) treats patients with serious illnesses or Injuries; (2) can provide special life-saving methods and equipment; (3) admits patients without regard to prognosis; and (4) provides constant observation of patients by a specially trained nursing staff.

Intensive Outpatient Programs

Out-of-Network facility-based Programs must occur at facilities that are both licensed and accredited.

Late Enrollees
Late Enrollees mean Employees or Dependents who request enrollment in a health benefit plan after the initial open enrollment period. An individual will not be considered a Late Enrollee if: (a) the person enrolls during his/her initial enrollment period under the Plan; (b) the person enrolls during a special enrollment period; or (c) a court orders that coverage be provided for a minor Covered Dependent under a Member’s Plan, but only as long as the Member requests enrollment for such Dependent within thirty-one (31) days after the court order is so issued. Late Enrollees are those who declined coverage during the initial open enrollment period and did not submit a certification to the Plan that coverage was declined because other coverage existed.

Maternity Care
Obstetrical care received both before and after the delivery of a child or children. It also includes care for miscarriage or abortion. It includes normal newborn nursery care for a newborn infant as long as the mother’s Hospital stay is a covered benefit and the newborn infant is an eligible Member under the Plan. Even though newborns of dependents are not eligible under the plan, they would be covered for the normal newborn nursery care only.

Maximum Allowed Amount
The maximum amount that the Plan will allow for Covered Services You receive. For more information, see the “Claims Payment” section.

Medical Necessity (Medically Necessary)
Procedures, supplies, equipment, or services that we conclude are:

1. Appropriate for the symptoms, diagnosis, or treatment of a medical condition; and
2. Given for the diagnosis or direct care and treatment of the medical condition; and
3. Within the standards of good medical practice within the organized medical community; and
4. Not mainly for the convenience of the Doctor or another Provider, and the most appropriate procedure, supply, equipment, or service which can be safely given.

The most appropriate procedure, supply, equipment, or service must meet the following requirements:

1. There must be valid scientific evidence to show that the expected health benefits from the procedure, supply, equipment, or service are clinically significant and will have a greater chance of benefit, without a disproportionately greater risk of harm or complications, than other possible treatments; and
2. Generally approved forms of treatment that are less invasive have been tried and did not work or are otherwise unsuitable; and
3. For Hospital stays, acute care as an Inpatient is needed due to the kind of services the patient needs or the severity of the medical condition, and that safe and adequate care cannot be given as an outpatient or in a less intensive medical setting.
The most appropriate procedure, supply, equipment, or service must also be cost-effective compared to other alternative interventions, including no intervention or the same intervention in an alternative setting. Cost-effective does not always mean lowest cost. It does mean that as to the diagnosis or treatment of Your illness, Injury or disease, the service is: (1) not more costly than another service or group of services that is medically appropriate, or (2) the service is performed in the least costly setting that is medically appropriate. For example, we will not provide coverage for an Inpatient admission for surgery if the surgery could have been performed on an outpatient basis or an infusion or injection of a specialty drug provided in the outpatient department of a Hospital if the Drug could be provided in a Physician’s office or the home setting.

HEALTH BENEFITS COVERAGE UNDER FEDERAL LAW

Choice of Primary Care Physician
The Plan generally allows the designation of a Primary Care Physician (PCP). You have the right to designate any PCP who participates in the Claims Administrator's Network and who is available to accept You or Your family members. For information on how to select a PCP, and for a list of PCPs, contact the telephone number on the back of Your Identification card or refer to the Claims Administrator's website, www.anthem.com. For children, You may designate a pediatrician as the PCP.

Access to Obstetrical and Gynecological (ObGyn) Care
You do not need Prior Authorization from the Plan or from any other person (including a PCP) in order to obtain access to obstetrical or gynecological care from a health care professional in the Claims Administrator's network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining Prior Authorization for certain services or following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the telephone number on the back of Your Identification Card or refer to the Claims Administrator's website, www.anthem.com.

Statement of Rights Under the Newborns’ and Mother’s Health Protection Act
Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider (e.g., Your Physician, nurse midwife, or Physician assistant), after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the Plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce Your out-of-pocket costs, You may be required to obtain Precertification. For information on Precertification, contact Your Plan Administrator.

Also, under federal law, plans may not set the level of benefits or out-of-pocket costs so that any later portion of the 48 hour (or 96 hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

Statement of Rights Under the Women’s Cancer Rights Act of 1998
If You have had or are going to have a mastectomy, You may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending Physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same Coinsurance applicable to other medical and surgical benefits provided under this Plan. See the Schedule of Benefits.

If You would like more information on WHCRA benefits, call Your Plan Administrator.
Coverage for a Child Due to a Qualified Medical Support Order (“QMCSO”)
If You or Your Spouse are required, due to a QMCSO, to provide coverage for Your child(ren), You may ask Your employer or Plan Administrator to provide You, without charge, a written statement outlining the procedures for getting coverage for such child(ren).

Mental Health Parity and Addiction Equity Act
The Mental Health Parity and Addiction Equity Act provides for parity in the application of aggregate treatment limitations (day or visit limits) on mental health and substance use disorder benefits with day/visit limits on medical/surgical benefits. In general, group health plans offering mental health and substance use disorder benefits cannot set day/visit limits on mental health or substance use disorder benefits that are lower than any such day/visit limits for medical and surgical benefits. A plan that does not impose day/visit limits on medical and surgical benefits may not impose such day/visit limits on mental health and substance use disorder benefits offered under the Plan. Also, the Plan may not impose Copayment/Coinsurance and out of pocket expenses on mental health and substance use disorder benefits that are more restrictive than Copayment/Coinsurance and out of pocket expenses applicable to other medical and surgical benefits. Medical Necessity criteria are available upon request.

Special Enrollment Notice
If You are declining enrollment for Yourself or Your Dependents (including Your Spouse) because of other health insurance coverage, You may in the future be able to enroll Yourself or Your Dependents in this Plan, provided that You request enrollment within 31 days after Your other coverage ends.
In addition, if You have a new Dependent as a result of marriage, birth, adoption, or placement for adoption, You may be able to enroll Yourself and Your Dependents. However, You must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

Eligible Employees and Dependents may also enroll under two additional circumstances:
• the Employee’s or Dependent’s Medicaid or Children’s Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
• the Employee or Dependent becomes eligible for a subsidy (state premium assistance program)

The Employee or Dependent must request Special Enrollment within 60 days of the loss of Medicaid/CHIP or of the eligibility determination.

INTRODUCTION

The Prescription Drug Benefit Program is available to UK employees, UK early retirees and dependents that are enrolled as plan participants in the UK-HMO, UK-PPO, UK-EPO, UK-RHP, or the UK-Indemnity Health Plan options. The prescription benefit is administered directly by the University instead of through the medical plans. Enrollment in the prescription drug benefit program is automatic with the Member’s enrollment on any of the UK Health Plans. The Member will have a separate prescription drug benefit identification card from Express Scripts which must be presented to the pharmacist at the time of service. A twelve-digit ID number (not the social security number) is assigned to the plan member.

If the plan member has a covered spouse and/or dependent(s), this same twelve-digit ID is used for each respective plan participant, with a different three-digit suffix (i.e. plan member - “001”, spouse/dependent - “002”, etc.)

Prescription drug benefits are payable for covered prescription expenses incurred by the Member and the Member’s covered dependents. Benefits are payable for such expenses for charges made by a participating pharmacy for each separate prescription, subject to the applicable co-payment or coinsurance as shown in the Schedule of Benefits.

Express Scripts is the pharmacy benefit manager.

How to fill Your prescription:

- **At Your local participating pharmacy**: You will be able to obtain Your immediate need (30-day supply) prescriptions through Express Scripts national network of chain and independent retail pharmacies.
- **Through Express Scripts Mail Service Pharmacy**: You will be able to receive Your chronic need medications (up to a 90-day supply) by mail service. Your medications will be delivered free of shipping costs within two weeks. You will be charged for overnight or two-day delivery when You request such service. You will be able to track these prescriptions on the Express Scripts Web site, and can reorder them by phone, mail or online (www.express-scripts.com).
- **Through UK retail pharmacies (including Kentucky Clinic Pharmacy, Chandler Retail Pharmacy, University Health Pharmacy, Good Samaritan Pharmacy, Turfland Pharmacy)**: You will be able to obtain both Your immediate need (30-day supply) prescriptions AND Your chronic need (up to 90-day supply) prescriptions at the UK retail pharmacies.
DEFINITIONS

Ancillary Charge: A charge in addition to the Co-payment / Coinsurance which the member is required to pay to a Participating Pharmacy for a covered Brand name Prescription Drug Product for which a Generic substitute is available. The Ancillary Charge is calculated as the difference between the Pharmacy Payment Rate for the Brand name Prescription Drug Product dispensed and the Maximum Allowable Cost (MAC) of the Generic substitute.

Average Wholesale Price (AWP): The standardized cost of a drug product, calculated by averaging the cost of an undiscounted drug product charged to a drug wholesaler by a pharmaceutical manufacturer. AWP is as shown in the Express Scripts drug price file and as generally determined by “Medispan”.

Brand: A patent-protected Prescription Drug Product that is manufactured and marketed under a trademark, proprietary or non-proprietary name by a specific drug manufacturer. (When manufacturers create new medications, they apply for a patent. After the patent expires, the FDA may approve other manufacturers to produce generic equivalents of the drug.)

Chemical Equivalents: Multiple-source drug products containing essentially identical amounts of the same active ingredients, in equivalent dosage forms, and which meet existing FDA physical/chemical standards.

Coinsurance: The percentage of the eligible expense for each separate prescription order or refill of a covered drug when dispensed by a participating pharmacy. The percentage coinsurance is based on the Pharmacy Payment rate if the Member utilizes a Participating Pharmacy and the Pharmacy submits the claim to Express Scripts electronically. The Member is responsible for payment of the Coinsurance at the point of service. Coinsurance may also be known as a percentage Co-payment.

Compound Drug: A drug prepared by a pharmacist using a combination of drugs in which at least one agent is a legend drug. The final product is typically not commercially available in the strength and/or dosage form prescribed by the physician.

Co-pay (Co-payment): The amount to be paid by You toward the cost of each separate prescription order or refill of a covered drug when dispensed by a participating pharmacy. A “flat dollar” Co-pay is a fixed dollar amount paid by the member when the prescription is filled. The member’s Co-payment for a covered drug at a Participating Pharmacy shall be the lesser of the applicable Co-payment or the pharmacy submitted usual and customary charge. The Member is responsible for payment of the Co-pay at the point of service. Coinsurance may also be known as a percentage Co-payment.

Dependents: The individuals (usually spouse and children) that are included in the primary cardholder’s benefit coverage.

Dispense as Written (DAW): A physician directive not to substitute a product.

Express Scripts Accredo Program: a specialty pharmacy management program specializing in the provision of high-cost biotech and other injectable drugs.

Formulary: A formulary is a clinically-based drug list that contains FDA-approved brand-name and generic drugs. Formularies are developed based on clinical attributes, as well as cost-effectiveness of products. Members will get the greatest value from their prescription drug benefit when they receive generic or brand-name drugs that are on the formulary. A formulary may also be referred to as a preferred drug list.

*Certain Specialty Medications are considered non-essential health benefits under the plan. Copays for these Specialty Medications will be set to the maximum of current plan design or any available manufacturer-funded copay assistance. Program drugs will be reimbursed by the manufacturer at no cost to the participant. The cost of such drugs will not be applied towards participants Rx out of pocket. List of included Specialty Medications available at [http://www.uky.edu/hr/more-great-benefits/uk-prescription-benefit-forms](http://www.uky.edu/hr/more-great-benefits/uk-prescription-benefit-forms)

**Out of Pocket Adjustment – Specialty medications filled through Accredo that have a copay card applied will only report what the patient actually pays for the medication to the Out of Pocket accumulator. The amount that the drug manufacturer applies through copay assistance, coupons, or any other form will not count towards the patient’s yearly maximum out of pocket accumulator.

### Retail Prescription Program

Drugs that are prescribed for short-term use (up to a 34-day supply) should be filled using the retail drug card. The Retail Prescription Drug Program is administered by Express Scripts. Participants are provided a prescription drug card to purchase drugs from a local pharmacy that participates in the Express Scripts Network. This network includes over 53,000 pharmacies nationwide. These include most chain or grocery stores such as Wal-Mart or Kroger as well as many independent pharmacies across the nation. Confirmation of participating pharmacies may be obtained by calling Express Scripts at 1-877-242-1864 or through the web site at [www.express-scripts.com](http://www.express-scripts.com).

The amount of the coinsurance or co-payment is dependent upon whether the prescription is for a generic, a formulary brand name drug or a non-formulary brand name drug. A generic drug is identical in chemical composition to its brand name counterpart, has been approved by the Food and Drug Administration to be...
SERVICES AND BENEFITS (continued)

Therapeutically equivalent, and is as effective as the brand name product. The use of generics and formulary brand name drugs help to keep the cost of prescription drugs down for both the participant and the plan. All non-formulary drugs have alternatives available: preferred brand name drugs and possibly generics, both of which are more, cost effective.

As a participant in this program, You must pay for:

- The cost of medication not covered under the prescription benefit;
- The cost of any quantity of medication dispensed in excess of a consecutive 30-day non-maintenance medication supply.

A copy of the University of Kentucky Formulary is on-line at [http://www.uky.edu/hr/benefits/more-great-benefits/uk-prescription-benefit-forms](http://www.uky.edu/hr/benefits/more-great-benefits/uk-prescription-benefit-forms) or by calling University of Kentucky Employee Benefits. The Co-payments or Coinsurance for each type Retail (30-day) prescription at Your local participating pharmacy are:

- Generic: 20% or minimum of $8.00
- Formulary Brand Name Drug: 40% or minimum of $20.00
- Non-Formulary Brand Name Drug: 50% or minimum of $40.00

The out of pocket maximum is $50 per generic prescription and $60 for formulary brand name drugs (non-formulary drugs have no maximum). There is a mandatory generic program. If the Member or Physician does not accept the generic equivalent for a "brand name" drug when one exists, the Member will be responsible for the applicable brand name Co-pay or coinsurance, plus any cost difference between the brand name and generic drug up to the retail price of the requested drug. This ancillary cost difference does not apply toward out-of-pocket maximum and will continue to apply after out-of-pocket maximum is met.

Each retail prescription is limited to a 34-day supply. However if the medical condition is such that the prescription drug is to be taken over a prolonged period of time (month or even years) it may be more financially advantageous to use the mail order program described below.

Reimbursement for prescriptions purchased at non-network pharmacies will not be reimbursed under Your prescription benefit, and are the financial responsibility of the Member. Purchases at non-network pharmacies do not apply to out-of-pocket maximum.

All paper claims incurred during the calendar year must be submitted within 365 days of the original date of service. Any claims received after that date will be denied.

Pharmacy benefit Co-payments and Coinsurance cannot be applied toward the deductibles or out-of-pocket limits of the medical plans (UK-HMO, UK-PPO, UK-EPO, UK-RHP, or UK-Indemnity). There is a separate prescription benefit out-of-pocket maximum of $4,900 for single coverage and $9,800 per family.

### Mail Service Prescription Program

The mail order program is designed for individuals who take the same medication over a long period of time for conditions such as diabetes, high blood pressure, ulcers, emphysema, arthritis, heart or thyroid conditions. While it is not mandatory to use the mail order program, those that do may reduce their out of pocket payments and will not have to reorder as frequently.

The Co-payments or Coinsurance for each type Mail Service prescription (for a 1 to 34 day supply) are the same as outlined under the Retail Prescription Program above.

The Co-payments or Coinsurance for each type Mail Service prescription (for a 35 to 90-day supply) are:
SERVICES AND BENEFITS (continued)

- Generic: 10% or minimum of $24.00
- Formulary Brand Name Drug: 30% or minimum of $60.00
- Non Formulary Brand Name Drug: 40% or minimum of $120.00

The out of pocket maximum is $100 per generic prescription and $120 per formulary brand name prescription (non-formulary drugs have no maximum). There is a mandatory generic program. If the Member or Physician does not accept the generic equivalent for a “brand name” drug when one exists, the Member will be responsible for the applicable brand name Co-pay or Coinsurance, plus any cost difference between the brand name and generic drug up to the retail price of the requested drug. This ancillary cost difference does not apply toward out-of-pocket maximum and will continue to apply after out-of-pocket maximum is met.

Each mail service prescription is limited to a maximum quantity limit of a 90-day supply. Express Scripts is required by law to dispense the prescription in the exact quantity specified by the physician. Therefore if the quantity prescribed is for less than 90 days per refill Express Scripts will fill that exact quantity.

UK PRESCRIPTION PLAN COMPLAINT AND GRIEVANCE PROCESS

There is a formal complaint and appeal process for handling Member concerns. A complaint is an oral or written expression of dissatisfaction. An appeal is a request to change a previous decision made by Express-Scripts for the Prescription Benefit. If a Covered Person has a problem or complaint regarding any aspect of the administration of benefits by UK Prescription Plan, the Member may contact the UK HR Benefits Office or Express Scripts Member Services to discuss the matter. If the matter cannot be resolved within a reasonable time to the Member’s satisfaction, the Member may submit a written appeal. The UK Prescription plan provides a five-step appeal process to resolve Member concerns. The administrative remedies established by this appeal process must be satisfied before legal remedies are sought.

Step 1 - Informal Inquiry
We recommend that You always contact Express Scripts Member Services first when You have a problem, concern or complaint. The Member Services toll-free number is 1-877-242-1864 (or 1-800-972-4348 for hearing-impaired). You may also write UK HR Prescription Benefits, 210 Malabu Dr, Suite 125 Lexington, KY 40502 or call the Benefits Office at 1-800-999-2183, option 3.

Inquiries should include a summary of the issue, provide a description of any previous contact(s) with the Plan regarding the matter in question, and describe the relief sought. Most inquiries are handled immediately. If further research is required, a representative will respond to You within 7 working days. If additional information from a Provider/Prescriber is required, the Plan may need additional time to respond to Your concern through all phases of the appeal process. In such cases, the Plan will notify You of any delays.

Step 2 - Written Appeal
If Your concern is not settled to Your satisfaction at Step 1, You may appeal the decision within 45 days following the day of Your first request for coverage by submitting a written statement of concern to:

UK Prescription Benefits
210 Malabu Drive, Ste 125
Lexington, KY 40502

The statement should include a summary of the complaint or issue, information regarding previous contact(s) with the plan regarding the matter in question and a description of the relief sought. Express Scripts Appeals Dept. will notify You of the decision within 30 days after receipt of the appeal.

Step 3 - Formal Grievance Hearing
If You are not satisfied with the outcome of Your appeal, You may submit a written request for a hearing to the Prescription Plan Grievance Committee within 30 days after receipt of the appeal decision. The request should be directed to UK HR Benefits, Prescription Plan Appeals Coordinator, 210 Malabu Dr, Ste 125, Lexington, KY 40502, “The Grievance Committee will acknowledge Your request within 7 working days and hear Your case within 30 days. The Grievance Committee will review the appeal decision, and any additional evidence You submit, and make a recommendation. If the Grievance Committee recommends that the relief You sought be granted, You will be promptly informed. If the Grievance Committee recommends that the denial be upheld, You will be notified within 60 days.”
Step 4 - Final Internal Appeal
If You are not satisfied with the outcome of the Grievance Hearing, You may submit a written request within 30 days to the Associate Vice President, Human Resource Services, at the University of Kentucky, 101 Scovell Hall, Lexington, KY 40506-0064. The statement should include a summary of the complaint or issue, information regarding previous contact(s) with the plan regarding the matter in question and a description of the relief sought. The UK Director of Employee Benefits has the discretion to establish a committee to perform the Final Appeal process. The Director and/or the committee so established, as applicable, shall review the entire grievance file, including prior decisions rendered on the matter under review, and may request additional information from the participants, prior to rendering the final appeal decision. The final appeal decision will be rendered within 30 days of request.

External Grievance Process
(A) If a Participant has exhausted the Plan’s internal appeals process and the Participant is not satisfied or the Plan failed to render a decision within the specific timeframe, a Participant may be eligible for an External Review by an Independent Review Entity under the following conditions:
   (1) The Plan made an adverse determination, as defined in KRS 304.17A-600 (1) (a); Definitions for KRS 304.17A-600 to 304.17A-633:
      (a) “Adverse determination” means a determination by an insurer or its designee that the health care services furnished or proposed to be furnished to a covered person are:
         i. Not medically necessary, as determined by the insurer, or its designee or experimental or investigational, as determined by the insurer, or its designee; and
         ii. Benefit coverage is therefore denied, reduced, or terminated.
      (b) “Adverse determination” does not mean a determination by an insurer or its designee that the health care services furnished or proposed to be furnished to a covered person are specifically limited or excluded in the covered person’s health benefit plan;
   (2) The Participant was enrolled on the date of the service, or, if prospective denial, was enrolled and eligible to receive covered benefits on the date the service was requested; and
   (3) The entire cost of treatment or service will cost the Participant at least $100 if not covered by the Plan.

(B) A Participant, an authorized person or a Provider with the Participant’s consent may request an External Review. The request for review must be received within 60 days after the Plan’s internal appeal decision letter. The confidentiality of all records used in the review shall be maintained throughout the process. A Participant shall make a request for External Review in writing to the Plan. The written consent authorizing the Independent Review Entity to obtain all necessary medical records from both the Plan and the Provider with information related to the denied coverage shall accompany the request. The Plan shall have consent forms available to Participants upon request to a toll-free telephone number or at an address noted in the Certificate of Coverage.

(C) The External Review decision shall be rendered by the Independent Review Organization within 21 days after receipt of the request by the Plan. An extension of up to 14 days is permitted if agreed to by both the Participant and the Plan. A participant may request that an appeal be expedited if the Participant is hospitalized or if the normal 21 day timeframe would place the Participant’s life at risk. If expedited, the decision shall be made within 24 hours. An extension of up to 24 hours is permitted if the Participant and the Plan agree. If the decision of the Independent Review Organization is in favor of the Participant, the Plan must comply with the decision.

(D) A Participant requesting External Review shall be assessed a $25 filing fee that is to be paid to the Independent Review Entity and shall be refunded to the Participant if the final decision is in favor of the Participant. If a Participant is unable to pay the filing fee, the Participant shall request a waiver of the filing fee in writing to the Plan. The cost of External Review shall be paid by the Plan. If the Plan decides that a Participant is not eligible for an External Review and the Participant disagrees, the Participant may file a complaint with the Kentucky Department of Insurance. The Department of
Insurance will render a decision within five days. A Participant with questions about the External Review process may contact the Appeals Department of the Provider or the Plan.
