INSTRUCTIONS

1. The date on which the agreement is “made” and “entered into” should be the date both parties sign, or, if signing is on separate days, the date on which the later signature is affixed. If the Contractor is a firm, list on a separate sheet of paper the name and Social Security Number of each individual who will be connected with the contract. The effective date of the contract is the date it is filed, after all necessary approvals, with the Legislative Research Commission. (KRS 45A.695)
2. The first “WHEREAS” necessitates a short, simple statement describing the University function, be it expressed or implied by the law, relative to which the Contractor’s services will be utilized.
3. Contract paragraph 1 (Services) should set forth the necessary instructions to the Contractor concerning the services to be provided. (Describe them, to the extent required.) If space is insufficient, refer to a letter in which instructions are spelled out in detail. Attach a copy of the letter to each copy of the contract.
4. Contract paragraph 2 (Consideration) should be clear and specific as to payment and as to expense reimbursement, if any. Specify whether the Contractor is to be paid in a lump sum on final and satisfactory completion of the contracted service, is to be paid on completion of stated portions of the service, or is to be paid at stated intervals. If fee is determined by any method other than lump sum after completion of all work, specify the method and rate (such as dollars per hour per classification of employee). List the information the Contractor is to provide on his invoice(s).
5. If a contract is being extended with the same terms and conditions (option stated in Contract paragraph 5), use Form B111-13 (Notice of Extension of Personal Services Contract). However, if the new agreement is to involve any change (amounts, instructions, services, or any other provisions), establish a new contract (Standard Contract for Personal Services).
6. Contract paragraph 6 requires a determination, based on facts, as to whether the Contractor will be considered and treated as an employee or as an independent Contractor within the terms of the federal law on Social Security. (If he is to be an independent Contractor, the University would have no liability for Social Security contribution.)
7. Contract paragraph 7 may be modified, if desired, by deleting the word “thirty” and substituting a shorter but not longer period of time. (KRS 45A.695).
8. If this form contract proves inadequate for the specific services involved, particularly with reference to Contract paragraphs 1 and 2, then it may be used as a guide for the drafting of a special-purpose contract document to provide additional (not less) information. A special-purpose contract document, if used, must include all the standard provisions contained in this form contract. These provisions generally reflect legal requirements or policy requirements applicable to all State Personal Service Contracts.
9. Originating agency will submit three (3) copies of the contract to the University Purchasing Division and keep one (1) copy of this contract for departmental files (KRS 12.210(1) provides that employment of attorneys is also subject to review by the Attorney General and subject to approval by the Governor.)
